

MISSION STATEMENT

RALEIGH GERIATRIC CARE MANAGEMENT provides the highest quality of elder care assistance to families who navigate the myriad of elder care resources. The consulting **certified geriatric care manager** is trained to support and facilitate the decisions for the immediate and long term care for senior adults.

Graduated from Duke University in 1981 with a BA in Sociology, Lauren Watral furthered her education to earn her Masters in Social Work at The University of South Carolina in 1985. She began her social work career in the drug and alcohol rehabilitation setting and eventually entered the special field of working with the geriatric population at Jewish Family Services. After creating and developing a geriatric care management company in Raleigh, she went independent to establish **RALEIGH GERIATRIC CARE MANAGEMENT**. With compassion and confidence, Lauren works directly for the family giving the individual attention that each elder client and their family deserves to ensure effective and specific care planning. Lauren is a member of the Aging Life Care Association and holds the distinguished title of **CERTIFIED GERIATRIC CARE MANAGER**.
