

Dear Dynamics Families,

We are excited to announce that we are doing a soft opening for our recreational classes starting June 1, 2020. Due to Covid-19, for everyone's health and safety, we are adjusting our class schedule for the summer. There will be fewer classes in at the same time and fewer people in the gym all together. If you were previously enrolled in class please call the gym to re-enroll in a new Summer Class.

Along with new classes, come new policies:

- 1) Parents are asked to drop students off at the door and wait in their vehicles.
- 2) Students and parents entering the gym will have their temperature taken.
- 3) Students and parents entering the gym must wash their hands upon arrival and when leaving.
- 4) Preschool Students: One adult may sit upstairs, but must practice social distancing by staying 6 feet away from other families.
- 5) Students will be asked to wash their hands after class.
- 6) Classes will be 50 minutes to ensure enough time for families to leave the building before the next class starts.
- 7) Children do not have to wear masks, but coaches will if they are not able to be 6ft away from the child, i.e. while spotting a skill.

We are so excited to start classes again! If you have any questions or wish to sign up, please give us a call at (417) 890-0946.
