About Our Program:

1. A Parent joins HIPPY when his or her child is 2– 4 years old.
2. HIPPY is a 2 year program.
3. **Mom / Dad** is their child's first teacher.
4. The lessons take about **15 to 20** minutes daily.
5. A trained Home Based Educator is responsible for issuing all HIPPY Program materials and **role-playing** lessons with the **parent**.
6. Home Visits are made weekly. Materials change regularly and a Home Visitor maintains so as to assist with problems which may arise as you teach your child.

For Ages 2-4

7. Contents of lessons include:

- Literacy
- Language
- Math
- Science
- Motor Development

Materials needed for HIPPY are provided:

Crayons, Glue, Pencils, Books, Plastic Shapes, and Scissors

Group Meetings:

- Are held monthly
- For sharing new ideas
- Making new friends
- Creating arts and crafts
- Food and fellowship
- Fun for parents and children

THE HIPPY CONNECTION:

Children who participate in HIPPY develop many essential prerequisite learning skills. A few of those skills include:

- ♦ Eye-hand coordination (activities include)
 - Connect-the-dot and follow-the-path
- ♦ Language skills (activities include)
 - Listening to, retelling and acting out stories
- ♦ Critical thinking and reasoning skills (activities include)
 - Sorting objects, counting, measuring, exploring a variety of materials
