Technologists USA – San Diego  
California Chapter

Founded June 6, 2010

## What We Do

As a 501(c) (3) nonprofit organization, PAMET San Diego offers 4 contact hours of continuing education every year. Our organization promote the San Diego County program for building Healthy Communities by participating in charitable walks that benefit programs for research to find cure for different diseases. We donate annually to the American Heart Association, Making Strides Against Breast Cancer and American Diabetes Association.

*"We should start demanding our profession's well deserved seat at the health care dining table."*

Roger Mark Lariosa, RMT, CLS  
President  
PAMET San Diego (2014-2019)

## Advocating the Laboratory Profession

Founded on June 6, 2010 at Conching's Restaurant in National City, PAMET San Diego became the 16<sup>th</sup> Chapter of PAMET USA Inc. and the 4<sup>th</sup> Chapter in the State of California together with Northern CA, Southern CA, Central CA and Sacramento Valley Chapters. We coordinate with our fellow chapters in the state who have representations at the Clinical Laboratory Technology Advisory Committee (CLTAC) of the California Department of Public Health – which monitors the different issues and state legislations that may affect the Laboratory Profession.

## Professional Networking

We have officers and members working in hospitals and laboratory facilities across the county which provides updates on position openings and hiring, assisting our colleagues find job opportunities
