Village of Ogden Lead Service Line Replacement Plan

Question 1: *The name and identification number of the community water supply.*

Response: The municipal name and ID are the Village of Ogden, Illinois, Water system number IL0190500.

Question 2: *The number of service lines connected to the distribution system of the community water supply.*

Response: There are 359 service lines connected to the distribution system of the community water supply. See Attachment A.

Question 3: *The total number and location of suspected lead service lines connected to the distribution system of the community water supply.*

Response: There are 0 lead or lead/galvanized service lines connected to the distribution system of the community water supply after the inventory has been completed. See Attachment A.

Question 4: *The total number and location of known lead service lines connected to the distribution system of the community water supply.*

Response: There are 0 lead or lead/galvanized service lines connected to the distribution system of the community water supply after the inventory has been completed. See Attachment A.

Question 5: *The total number and locations of lead service lines connected to the distribution system of the community water supply that have been replaced since 2020.*

Response: There have been no lead service lines since 2020 that were connected to the distribution system of the community water supply and have already been replaced.

Question 6: *A proposed lead service line replacement schedule that includes one-year, 5-year, 10-year, 15-year, 20-year, 25-year, 30-year goals.*

Response: The Village of Ogden has 0 lead or lead/galvanized service lines connected to the distribution system of the community water supply, so a lead service line replacement schedule is not germane.

Question 7: *An analysis of costs and financing options for replacing the lead service lines connected to the community water supply's distribution system.*

Response: The Village of Ogden's lead service line replacement project projected cost for full replacement is nonexistent since there are no lead service lines to replace.

Question 8: *A detailed accounting of costs associated with replacing lead service lines and galvanized lines requirement replacement.*

Response: Detailed Accounting for LSLR Cost Estimates:

Design Engineering, Specification, Bidding: \$0.00
Project Construction: \$0.00 (0 services replacements at \$12,500.00 Ave)
Construction Engineering: \$0.00
Final Total: \$0.00

Question 9: *Measures to address affordability and prevent service shut-offs for customers or ratepayers.*

Response: Measures to address affordability and prevent shut-offs are not germane due to the Village of Ogden not requiring any lead service lines to be replaced.

Question 10: *Consideration of different scenarios for structuring payments between the utility and its customers over time.*

Response: Consideration of structured payments is not germane due to the Village of Ogden not requiring any lead service lines to be replaced.

Question 11: *A plan for prioritizing high risk facilities such as preschools, day care centers, group day care homes, parks, playgrounds, hospitals, and clinics, as well as high-risk areas identified by the community water supply.*

Response: A plan for prioritizing high risk facilities is not germane due to the Village of Ogden not requiring any lead service lines to be replaced.

Question 12: *A map of the areas where lead service lines are expected to be found and the sequence with which those areas will be inventoried and lead service lines replaced.*

Response: A location map is not germane due to the Village of Ogden not requiring any lead service lines to be replaced.

Question 13: *Measures for how the community water supply will inform the public of the plan and provide opportunity for public comment.*

Response: Measures for how the community water supply will inform the public of the plan and provide opportunity for public comment is not germane due to the Village of Ogden not requiring any lead service lines to be replaced.

Question 14: *Measures to encourage diversity in hiring in the workforce required to implement the plan as identified under subsection (n).*

Response: Measures to encourage diversity in hiring in the workforce required to implement the plan as identified under subsection (n) is not germane due to the Village of Ogden not requiring any lead service lines to be replaced.

Question 15: *Procedure for conducting full lead service line replacement.*

Response: A procedure for conducting full lead service line replacement is not germane due to the Village of Ogden not requiring any lead service lines to be replaced.

Question 16: *Procedure for informing customers before a lead service line replacement and flushing directions to remove particulate lead from service lines and premise plumbing.*

Response: A Procedure for informing customers before a lead service line replacement and flushing directions to remove particulate lead from service lines and premise plumbing is not germane due to the Village of Ogden not requiring any lead service lines to be replaced.
