

## Thr Truth Concerning Nixon & Watergate pdf by Shaun Prario

Back in November 2019 -- to obviously coincide with the "Impeach Trump" effort that came and went -- retired TV anchorman, Fake News legend and CFR stooge, **Tom Brokaw** put a new book out, titled, "**The Fall of Richard Nixon**" -- about the forced removal of President Nixon from office in 1974. The 37th President of the United States, after a year-long "impeachment process," became the first and only president ever to be forced out of office -- while living, that is.

Technically, it was a resignation because Nixon hadn't been impeached. But the Demonrat House certainly had enough votes to impeach and the Senate had enough gutless Republican'ts to convict him of obstruction of justice, abuse of power, and contempt of Congress related to a break-in at Washington's Watergate Hotel by some low-level operatives looking for dirt on Demonrats. Nixon, oblivious of the "burglary," was crucified not for the minor act, but for the cover-up.

In those pre-Talk Radio / pre-cable TV / pre-Internet / pre-Twitter days of total media monopoly, the Big Five Jew bullhorns -- **New York Times: Sulzberger / Washington Post: Meyer-Graham / ABC: Goldenson / NBC: Sarnoff / CBS: Paley (Paloff)** -- controlled the public perception of reality -- totally! Nixon was defenseless. Their official fairy tale of Watergate -- which is why all subsequent political scandals carry the suffix "gate" -- holds that two young crusading reporters from The Washington Post, (*Carl Bernstein & Bob Woodward*) -- supplied with information by an anonymous source called "Deep Throat" -- took down an evil, duplicitous scoundrel of a president for the good of the country. That lie is reinforced by Brokaw's book. The real story is something different.

**Nixon vs JFK:** Election 1960: As Senators, Nixon and JFK had both supported Joe McCarthy and were never really part of "The Establishment." They would both become American presidents, and both be removed. JFK by murder, and Nixon by "scandal." // 2. Election 1968: Nixon's VP, Spiro Agnew, was a rock-solid conservative not afraid to fight. // 3. Election 1972: The secretly "anti-Semitic" Nixon & Agnew won EVERYTHING except libtarded Taxxachusetts and mostly Black District of Columbia. Nixon would have had a lot of power and would probably have ended "The Cold War" in Term 2. -- *M.S. King*

- October 1973: Vice President Agnew was forced to resign over a fake "tax evasion" scandal hyped up by the Fake News. Globalist / Trilateralist , JFK assassination cover-upper Congressman Gerald Ford of Michigan was then forced upon Nixon as new Vice President.
- August 1974: Nixon resigned. The Watergate "scandal" over a low level "burglary" was nothing more than a "Deep State" coup -- led by Katherine Meyer Graham's Washington Post -- not unlike what we are witnessing today in the effort to remove Trump. Nixon's resignation elevated Rockefeller puppet Gerald Ford to the presidency.
- November 1974: "The Watergate Babies" -- A whole bunch of Bolshevik Demonstrats won House seats due to a backlash caused by the Fake News and their manufactured "scandal." America's political landscape was fundamentally altered by the influx of these Marxists.

HILLARY CLINTON FIRED FROM WATERGATE INVESTIGATION BY JERRY ZEIFMAN, FORMER COUNSEL TO THE HOUSE JUDICIARY COMMITTEE

"BECAUSE SHE WAS A LIAR, SHE WAS AN UNETHICAL, DISHONEST LAWYER. SHE CONSPIRED TO VIOLATE THE CONSTITUTION, THE RULES OF THE HOUSE, THE RULES OF THE COMMITTEE AND THE RULES OF CONFIDENTIALITY."

Once a crook always a crook?  
Can't we just forgive and forget, America?

Young hippy trash Killary Rodham worked for Watergate Judiciary Committee until being fired for unethical behavior.

**Nixon privately told the truth about the Jews and planned on removing the Jewish control over the US government and that's the real reason why he was forced out from office.**

**"The Jews are all through the government, and we have got to get in those areas. The government is full of Jews, Second, most Jews are disloyal. You can't trust the bastards. They turn on you."**

- Richard Nixon, Nixon Tapes, July 3, 1971

**"The Jews are just a very aggressive and abrasive and obnoxious personality." ....  
"They put the Jewish interest above America's interest, and it's about goddamn time that the Jew in America realizes he's an American first and a Jew second."**

- Richard Nixon, Nixon Tapes, 1972-1973

**"The Jews are born spies. You notice how many of them are? They're just in it up to their necks."**

- Richard Nixon, Nixon Tapes, Jul 05, 1971

**"The Jewish cabal is out to get me."**

- A remark repeated by Nixon several times in private conversations. Quoted in *The Final Days* by Bob Woodward.

December 1974: Globalist Ford chose "Republican" Nelson Rockefeller to be his Vice President. Rockefeller had been Governor of New York State and was known for his presidential ambitions. The problem for Rockefeller was that heartland Republicans hated him -- and had already rejected him in 1964.

September 5, 1975: Lynette "Squeaky" Fromme, a member of the Charles Manson cult, pointed a handgun at Ford and pulled the trigger at point-blank range. As she did, a Secret Service agent grabbed the gun. Fromme was arrested and served 34 years in prison. Nelson Rockefeller came that close to becoming president.

September 22, 1975: As he left a in San Francisco, another mind-controlled assassin, Sara Jane Moore, fired a handgun at Ford --- missing him only by a few feet. As she fired a second round, a retired Marine grabbed at the gun and deflected her shot. The second bullet struck a wall just six inches above Ford's head, then ricocheted and wounded a taxi driver. Moore served 32 years in prison. Once again, over the span of just three weeks, Globalist Golden Boy Nelson Rockefeller came within inches of becoming the 39th president of the United States. How convenient that would have been, eh? It is interesting to note that when Ford ran for president against Jimmy Carter in 1976, he dumped Nelson Rockefeller!

**And that, dear reader, is the real story behind the back-to-back "scandals" which took out VP Agnew first -- and then President Nixon one year later.      – author M.S. King**
