

George H.W. Bush passes the Noahide Laws in 1991

Remember, Noah lived prior to the 10 commandments being handed down to Moses by God. Reference Genesis 9 for the *Everlasting Covenant* given to Noah and all peoples of the earth.

Why would George Bush, a Luciferian, pass these laws into Congress in 1991?

Six of the Noahide laws were given to Adam, and the seventh was given to Noah, the grandson of Enoch. A Noahide is a person who maintains the oldest religious tradition known to mankind, a tradition and beliefs which have been all but forgotten. A tradition which is revealed in the pages of the book of Genesis.

While the "Seven Laws of Noah" were kept by Enoch and by Adam, they were called Noahide laws because of the Covenant, made with Noah by God after the Flood, and because an supplementary law was added at that time, forbidding cruelty to animals, and the eating of a limb of a living animal, and the eating of blood. The Rainbow with its seven colors, is the insignia of this Covenant for All Mankind. [10]

You will be surprised to learn that on March 20, 1990 President George Bush signed into law an historic Joint Resolution of both Houses of Congress recognizing the Seven Noahide Laws as the "bedrock of society from the dawn of civilization" and urged our country to "return the world to the moral and ethical values contained in the Seven Noahide Laws" (**H.J. Res. 104, Public Law 102-4**).

Public Law 102-14

102d Congress

Joint Resolution

Mar. 20. 1991

[H.J Res 104] To designate March 26. 1991, as "Education Day. U. S. A."

Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our, great Nation was founded;

Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noahide Laws;

Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991:

Whereas in tribute to this great spiritual leader, "the rebbe", this, his ninetieth year will be seen as one of "education and giving", the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws: and

Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state:

Now, therefore, be it Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide Luthavitch movement. is designated as "Education Day. U.S.A.". The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

The Seven Noahide Laws:

1. *Thou shalt not engage in idol worship.*
2. *Thou shalt not blaspheme God.*
3. *Thou shalt not shed innocent blood of a human nor fetus nor ailing person who has a limited time to live.*
4. *Thou shalt not engage in bestial, incestuous, adulterous, or homosexual relations nor commit...rape.*
5. *Thou shalt not steal.*
6. *Thou shalt establish laws and courts of law to administer these laws, including the death penalty for those who kill, administered only if there is one testifying eyewitness (Note: The Jewish Law, found in Deuteronomy 17:6, requires the testimony of 2 or 3 witnesses before one can be executed. In fact, the last sentence of verse 6 specifically states, "...he shall not be put to death on the evidence of one witness". This should be our first clue that these seven Noahide Laws are nothing more than a clever counterfeit of God's Ten Commandments).*
7. *Thou shalt not be cruel to animals.*

Penalty for violating these laws:

The penalty for violating any of these Noahide Laws is outlined on page 1192 of the Encyclopedia Judaica, "... violation of any one of the seven laws subjects the Noahide to capital punishment by decapitation." Henceforth, if merely one person steps forward to accuse a Gentile of violating any one of these seven laws, that testimony alone would be sufficient enough to decapitate the accused. A person could be put to death based upon the lying testimony of another. Notice, there is no assumption of innocence until proven guilty, nor of the prosecution being required to prove their case. It's simply the accusation of one person, leading to their accused being legally decapitated.

The Encyclopedia Americana further explains the Noahide Laws, "*Throughout the ages, scholars have viewed the Noahide Laws as a link between Judaism and Christianity, as universal norms of ethical conduct, as a basic concept of international law, or as a guarantee of fundamental human rights for all.*" This explanation leaves one to believe that both Jews and Gentiles are bound by these seven laws, Nonetheless, Don Bell reports from Jewish sources that the Jew who lives according to the Torah is exempt from these seven laws. In other words, these seven Noahide Laws were meant for the Gentiles only!

Q: Therefore, what does this really mean?

A: All Christians who confess Jesus is Lord will be Decapitated in the New World Order.

We all must comprehend that we are not dealing with the Noah of the Bible when the religion of Judaism refers to "Noahide law," but the Noahide law as understood and interpreted by the falsified rabbinical system that constitutes the Talmud.

Under the Talmud's counterfeit Noahide Laws, the worship of Jesus is forbidden under penalty of death, since such worship of Christ is condemned by Judaism as idolatry. On the contrary, various forms of incest are permitted under the Talmudic understanding of the Noahide code. (**Enziklopediya Talmudit, note 1, pp. 351-352**).

The Talmud also states the penalty for disobedience:

"One additional element of greater severity is that violation of any one of the seven laws subjects the Noahide to capital punishment by decapitation." (Sanh. 57A)

As we analyze the satanic Jewish Talmud and view these Noahide Laws, one will find further individual interpretations. Like when referring to Thou Shall not Steal, one can find:

5. Theft is forbidden. The world is not ours to do with as we please.

THEFT

against stealing

against committing robbery

against shifting a landmark

against cheating

against repudiating a claim of money owed

against overcharging

against coveting

against desiring

a laborer shall be allowed to eat of the fruits among which he works (under certain conditions)

against a laborer eating of such fruit (when certain conditions are not met)

against a laborer taking of such fruit home

against kidnapping

against the use of false weights and measures

against the possession of false weights and measures

that one shall be exact in the use of weights and measures

that the robber shall return (or pay for) the stolen object

Nevertheless, the Jews is exempt from any of these crimes, as long as, he only commits them against non-Jews!

President Bush, his Jewish leaders, and other higher-ups in the coming New World Order have already begun, in many ways, to prepare their genocide against Christians inside America; and elsewhere.
