

Television's not Real, it's the Greatest Celebrated Propaganda Machine in History!

T.V. News Isn't Real Independent News, It's Simply more Television Propaganda.

The CIA and Hollywood work in Union to Prepare Movie Scripts on Behalf of Lucifer.

Watching a Hollywood movie, anything from Pearl Harbor to Outbreak, are designed to control people's minds and prepare them for things to come; or to believe in past (false) versions of historical events.

Nobody ever heard of Islamic Terrorists prior to the 21st century. It came as no surprise that in 2001 a flood of Islamic Terrorism appeared in Hollywood and in television shows to prepare people for the *planned well in advance* events of September 11th.

As for government news agencies like CNN, NBC, CBS and FOX – these are *Hollywood* as well. A matter of fact, Fox News which claims to be conservative are the owners of extremely liberal 21st Century Fox films in Hollywood. Many of the scenes they've aired on Fox News, claiming to be on the site of political events, were really shot in Hollywood – it's not real!

When they air scenes from places in political turmoil like Argentina, where the International Bankers are forcing a complete take-over of their government and control of the Argentine people, you can bet Fox News doesn't actually have workers inside that country filming what's occurring. The scenes the show on American television (Fox News) are mostly fabricated scenes shot in Hollywood. It's not news but television. It's not real but fake propaganda.

In the writings titled, *The Elders of Zion*, meant for Jewish people; they explain that their plan's to distract Americans with sports and entertainment to keep their minds clear from the Jewish attempt to usurp power and control. More recently, an attempt to keep Americans extremely busy working long hours/weeks to eliminate having spare time to research and discover the truth, has been made. At the time the Elders of Zion was written, at the dawn of the 21st century, the television had not yet been invented. At that time they could only imagine how much it would benefit them to insert a propaganda machine inside every home in America. The television has become their most celebrated and famed accomplishment to their propaganda arm; an arm which stretches far and wide primarily because of the t.v. set and secondly Hollywood and other media sources.

Most Hollywood movies serve a propaganda agenda. Whether it's promoting white girls to like black guys over white guys, or whatever the cause it. It's all pre-planned design to degenerate the public, erase our old Christian values, and destroy the White race. Now, that last comment may seem a little strong or sound like the comment of a so-called White Supremacist, (a Jewish propaganda label to destroy an aware person's credibility), but it's the truth. Let's analyze the Google picture below which they utilized in a children's promotion.

....continued from photo:

Armed homosexual. (notice the gay-pride color Google logo on his t-shirt). The White Christian girl has the Cross of Christ being the only symbol that's destroyed. Notice the horizontal line of the cross has been faded out! Plus, she has her arm around the black kid (never another white boy) and the black boy's apparently a genius; just look at what he's wearing. Unbelievable, the black boy's a genius and has his arm around a white girl. Talk about indoctrination at a young age – Google has no limits! Furthermore, the photo displays satanic shadows in the background, as the horns of Lucifer are clearly displayed! Google and Hollywood are owned and operated by the same evil people. The Jewish Illuminati in Hollywood as bought-out many allies. Non-Jewish Luciferians who basically practice the Jewish Kabbalah, like the head of Jewry, (Hollywood, the Fed, Media, etc.), but don't originate from Jewish heritage. The Jews don't even like them neither, they're simply being utilized as puppets, will be turned-on in the end, yet are currently destroying our once Christian society.

Here's just a small sample (below) of political figures flashing the Horns of Satan to their Luciferian brotherhood out in the crowds adjacent to them.

Also beware of the 666 symbol (below):

Here's the brainwashed Hollywood actors who're made to act this way, anyone else who doesn't abide won't be allowed a Hollywood career.

.... Remember, Satan never tells the truth – He's a Liar. Therefore, don't believe anything you hear from these sources!

Kabbalist's are heavy into numerology. Typically, this will be done with the ancient Hebrew alphabet, but as seen to the left, the English alphabet was implored to come up with the name FOX to represent Satan. Henceforth, if you watch Fox News you are being lied to be Satan, or at least his followers!
