

Dual Citizenship, a Problem of Disloyalty

The 1940 Nationality Act

Section 401 (e) of the 1940 Nationality Act provides that a U.S. citizen, whether by birth or naturalization, “shall lose his [U.S.] nationality by...voting in a political election in a foreign state.”

Why did D. Rumsfeld announce 2.3 Trillion dollars went “missing” from the Pentagon on Sept. 10, 2001; and then the office to trace the money was the 1st and only office established on the side of the Pentagon closed for “repairs” for 30 days and then just happened to be the same side a ~~missle~~ plane hit, (*sorry, many Military Generals have come-out and stated it was a missle*), and then the single remaining source in the entire country able to track down the cash just happened to be the C.I.A. office located in World Trade #7 Building which numerous Fire-Fighters stated they clearly heard and watch the building be blown to the ground by rigged explosives?? Israeli’s which hold government posts in Israel are now stationed throughout our own Pentagon as Dual-Citizens and continually steal funds for Israeli genocides, expansion, and world domination. – and the workers additionally pay interest on all this stolen money to their Federal Reserve! — S.P.

“ This law was tested many times. In 1958, for instance, an American citizen named Perez voted in a Mexican election. The case went to the Supreme Court, where the majority opinion held that Perez must lose his American nationality. The court said Congress could provide for expatriation as a reasonable way of preventing embarrassment to the United States in its foreign relations.

But then something very odd happened.

In 1967 an American Jew, Beys Afroyim received an exemption that set a precedent exclusively for American Jews. Afroyim, born in Poland in 1895, emigrated to America in 1912, and became a naturalized U.S. citizen in 1926. In 1950, aged 55, he emigrated to Israel and became an Israeli citizen. In 1951 Afroyim voted in an Israeli Knesset election and in five political elections that followed. So, by all standards he lost his American citizenship — right? Wrong.

After living in Israel for a decade, Afroyim wished to return to New York. In 1960, he asked the U.S. Consulate in Haifa for an American passport. The Department of State refused the application, invoking section 401 (e) of the Nationality Act — the same ruling that had stripped the American citizen named Perez of his U.S. citizenship.

Attorneys acting for Afroyim took his case to a Washington, DC District Court, which upheld the law. Then his attorneys appealed to the Court of Appeals. This court also upheld the law. The attorneys for Afroyim then moved the case on to the Supreme Court. Here, with Supreme Court Justice Abe Fortas, Lyndon Johnson's former attorney and one of the most powerful Jewish Americans, casting the swing vote, the court voted five to four in favor of Afroyim. The court held that the U.S. government had no right to "rob" Afroyim of his American citizenship!

The court, reversing its previous judgment as regards the Mexican American, ruled that Afroyim had not shown "intent" to lose citizenship by voting in Israeli elections. Huh?

While Washington claims it has a "good neighbor" policy with Mexico, the U.S. does not permit Mexicans to hold dual nationality. The US makes them become either U.S. or Mexican — you can't be both. But the U.S., in its special relationship with Israel, has become very sympathetic to allowing Israeli-Americans to retain two nationalities and allowing U.S. citizens not only to hold public office in Israel, but to hold US government positions as well! No other country holds this special exception to our laws of citizenship.

So, you might ask, are there any other dual Israel-American citizens who hold US government positions that could compromise American security? Yes. Consider the following list that I obtained on the web:

Jared Kushner

Michael Mukasey

Recently appointed as US Attorney General. Mukasey also was the judge in the litigation between developer Larry Silverstein and several insurance companies arising from the destruction of the World Trade Center.

Michael Chertoff

Former Assistant Attorney General for the Criminal Division, at the Justice Department; now head of Homeland Security.

Richard Perle

One of Bush's foreign policy advisors, he is the chairman of the Pentagon's Defense Policy Board. A very likely Israeli government agent, Perle was expelled from Senator Henry Jackson's office in the 1970's after the National Security Agency (NSA) caught him passing Highly-Classified (National Security) documents to the Israeli Embassy. He later worked for the Israeli weapons firm, Soltam. Perle came from one of the above mentioned pro-Israel thinktanks, the AEI. Perle is one of the leading pro-Israeli fanatics leading this Iraq war mongering within the administration and now in the media.

Paul Wolfowitz

Former Deputy Defense Secretary, and member of Perle's Defense Policy Board, in the Pentagon. Wolfowitz is a close associate of Perle, and reportedly has close ties to the Israeli military. His sister lives in Israel. Wolfowitz came from the above mentioned Jewish thinktank, JINSA. Wolfowitz was the

number two leader within the administration behind this Iraq war mongering. He later was appointed head of the World Bank but resigned under pressure from World Bank members over a scandal involving his misuse of power.

Douglas Feith

Under Secretary of Defense and Policy Advisor at the Pentagon. He is a close associate of Perle and served as his Special Counsel. Like Perle and the others, Feith is a pro-Israel extremist, who has advocated anti-Arab policies in the past. He is closely associated with the extremist group, the Zionist Organization of America, which even attacks Jews that don't agree with its extremist views. Feith frequently speaks at ZOA conferences. Feith runs a small law firm, Feith and Zell, which only has one International office, in Israel. The majority of their legal work is representing Israeli interests. His firm's own website stated, prior to his appointment, that Feith "represents Israeli Armaments Manufacturer." Feith basically represents the Israeli War Machine. Feith also came from the Jewish thinktank JINSA. Feith, like Perle and Wolfowitz, are campaigning hard for this Israeli proxy war against Iraq.

Lawrence Franklin

The former Defense Intelligence Agency analyst with expertise in Iranian policy issues who worked in the office of Undersecretary of Defense for Policy Douglas Feith and reported directly to Feith's deputy, William Luti, was sentenced January 20, 2006, "to more than 12 years in prison for giving classified information to an Israeli diplomat" and members of the pro-Israel lobbying group American Israel Public Affairs Committee (AIPAC).

Franklin will "remain free while the government continues with the wider case" and his "prison time could be sharply reduced in return for his help in prosecuting" former AIPAC members Steven J. Rosen and Keith Weissman, [who] are scheduled to go on trial in April [2006]. Franklin admitted that he met periodically with Rosen and Weissman between 2002 and 2004 and discussed classified information, including information about potential attacks on U.S. troops in Iraq. Rosen and Weissman would later share what they learned with reporters and Israeli officials." (source: sourcewatch.com).

Edward Luttwak

Member of the National Security Study Group of the Department of Defence at the Pentagon. Luttwak is reportedly an Israeli citizen and has taught in Israel. He frequently writes for Israeli and pro-Israeli newspapers and journals. Luttwak is an Israeli extremist whose main theme in many of his articles is the necessity of the U.S. waging war against Iraq and Iran.

Henry Kissinger

One of many Pentagon Advisors, Kissinger sits on the Pentagon's Defense Policy Board under Perle. For detailed information about Kissinger's evil past, read Seymour Hersch's book (Price of Power: Kissinger in the Nixon White House). Kissinger likely had a part in the Watergate crimes, Southeast Asia mass murders (Vietnam, Cambodia, Laos), Installing Chilean mass murdering dictator Pinochet, Operation Condor's mass killings in South America, and more recently served as Serbia's Ex-Dictator Slobodan Milosevic's Advisor. He consistently advocated going to war against Iraq. Kissinger is the Ariel Sharon of the U.S. Unfortunately, President Bush nominated Kissinger as chairman of the September 11 investigating commission. It's like picking a bank robber to investigate a fraud scandal. He later declined this job under enormous protests.

Dov Zakheim

Dov Zakheim is an ordained rabbi and reportedly holds Israeli citizenship. Zakheim attended Jew's College in London and became an ordained Orthodox Jewish Rabbi in 1973. He was adjunct professor at New York's Jewish Yeshiva University. Zakheim is close to the Israeli lobby.

Dov Zakheim is also a member of the Council on Foreign Relations and in 2000 a co-author of the Project for the New American Century's position paper, *Rebuilding America's Defenses*, advocating the necessity for a Pearl-Harbor-like incident to mobilize the country into war with its enemies, mostly Middle Eastern Muslim nations.

He was appointed by Bush as Pentagon Comptroller from May 4, 2001 to March 10, 2004. At that time he was unable to explain the disappearance of \$1 trillion dollars. Actually, nearly three years earlier, Donald Rumsfeld announced on September 10, 2001 that an audit discovered \$2.3 trillion was also missing from the Pentagon books. That story, as mentioned, was buried under 9-11's rubble. The two sums disappeared on Zakheim's watch. We can only guess where that cash went.

Despite these suspicions, on May 6, 2004, Zakheim took a lucrative position at Booz Allen Hamilton, one of the most prestigious strategy consulting firms in the world. One of its clients then was Blessed Relief, a charity said to be a front for Osama bin Laden. Booz, Allen & Hamilton then also worked closely with DARPA, the Defense Advanced Research Projects Agency, which is the research arm of the Department of Defense.

Judicial Inc's bio of Dov tells us Zakheim is a dual Israeli/American citizen and has been tracking the halls of US government for 25 years, casting defense policy and influence on Presidents Reagan, Clinton, Bush Sr. and Bush Jr. Judicial Inc points out that most of Israel's armaments were gotten thanks to him. Squads of US F-16 and F-15 were classified military surplus and sold to Israel at a fraction of their value.

Kenneth Adelman

One of many Pentagon Advisors, Adelman also sits on the Pentagon's Defense Policy Board under Perle, and is another extremist pro-Israel advisor, who supported going to war against Iraq. Adelman frequently is a guest on Fox News, and often expresses extremist and often ridiculous anti-Arab and anti-Muslim views. Through his racism or ignorance, he actually called Arabs "anti-Semitic" on Fox News (11/28/2001), when he could have looked it up in the dictionary to find out that Arabs by definition are Semites.

I. Lewis "Scooter" Libby (Liebowitz)

Vice President Dick Cheney's ex-Chief of Staff. As chief pro-Israel Jewish advisor to Cheney, it helps explain why Cheney is so gun-ho to invade Iran. Libby is longtime associate of Wolfowitz. Libby was also a lawyer for convicted felon and Israeli spy Marc Rich, whom Clinton pardoned, in his last days as president. Libby was recently found guilty of lying to Federal investigators in the Valerie Plame affair, in which Plame, a covert CIA agent, was exposed for political revenge by the Bush administration following her husband's revelations about the lies leading to the Iraq War.

Robert Satloff

U.S. National Security Council Advisor, Satloff was the executive director of the Israeli lobby's "think tank," Washington Institute for Near East Policy. Many of the Israeli lobby's "experts" come from this front group, like Martin Indyk.

Elliott Abrams (Abramovich)

National Security Council Advisor. He previously worked at Washington-based “Think Tank” Ethics and Public Policy Center. During the Reagan Administration, Abrams was the Assistant Secretary of State, handling, for the most part, Latin American affairs. He played an important role in the Iran-Contra Scandal, which involved illegally selling U.S. weapons to Iran to fight Iraq, and illegally funding the contra rebels fighting to overthrow Nicaragua’s Sandinista government. He also actively deceived three congressional committees about his involvement and thereby faced felony charges based on his testimony. Abrams pled guilty in 1991 to two misdemeanors and was sentenced to a year’s probation and 100 hours of community service. A year later, former President Bush (Senior) granted Abrams a full pardon. He was one of the more hawkish pro-Israel Jews in the Reagan Administration’s State Department.

Marc Grossman

Under Secretary of State for Political Affairs. He was Director General of the Foreign Service and Director of Human Resources at the Department of State. Grossman is one of many of the pro-Israel Jewish officials from the Clinton Administration that Bush has promoted to higher posts.

Richard Haass

Director of Policy Planning at the State Department and Ambassador at large. He is also Director of National Security Programs and Senior Fellow at the Council on Foreign Relations (CFR). He was one of the more hawkish pro-Israel Jews in the first Bush (Sr) Administration who sat on the National Security Council, and who consistently advocated going to war against Iraq. Haass is also a member of the Defense Department’s National Security Study Group, at the Pentagon.

Robert Zoellick

U.S. Trade Representative, a cabinet-level position. He is also one of the more hawkish pro-Israel Jews in the Bush (Jr) Administration who advocated invading Iraq and occupying a portion of the country in order to set up a Vichy-style puppet government. He consistently advocates going to war against Iran.

Ari Fleischer

Ex- White House Spokesman for the Bush (Jr) Administration. Prominent in the Jewish community, some reports state that he holds Israeli citizenship. Fleischer is closely connected to the extremist Jewish group called the Chabad Lubavitch Hasidics, who follow the Qabala, and hold very extremist and insulting views of non-Jews. Fleischer was the co-president of Chabad’s Capitol Jewish Forum. He received the Young Leadership Award from the American Friends of Lubavitch in October, 2001.

James Schlesinger

One of many Pentagon Advisors, Schlesinger also sits on the Pentagon’s Defense Policy Board under Perle and is another extremist pro-Israel advisor, who supported going to war against Iraq. Schlesinger is also a commissioner of the Defense Department’s National Security Study Group, at the Pentagon.

David Frum

White House speechwriter behind the “Axis of Evil” label. He lumped together all the lies and accusations against Iraq for Bush to justify the war.

Joshua Bolten

White House Deputy Chief of Staff, Bolten was previously a banker, former legislative aide, and prominent in the Jewish community.

John Bolton

Former UN Representative and Under-Secretary of State for Arms Control and International Security. Bolton is also a Senior Advisor to President Bush. Prior to this position, Bolton was Senior Vice President of the above mentioned pro-Israel thinktank, AEI. He recently (October 2002) accused Syria of having a nuclear program, so that they can attack Syria after Iraq. He must have forgotten that Israel has 400 nuclear warheads, some of which are thermonuclear weapons (according to a recent U.S. Air Force report).

David Wurmser

Special Assistant to John Bolton (above), the under-secretary for arms control and international security. Wurmser also worked at the AEI with Perle and Bolton. His wife, Meyrav Wurmser, along with Colonel Yigal Carmon, formerly of Israeli military intelligence, co-founded the Middle East Media Research Institute (Memri), a Washington-based Israeli outfit which distributes articles translated from Arabic newspapers portraying Arabs in a bad light.

Eliot Cohen

Member of the Pentagon's Defense Policy Board under Perle and is another extremist pro-Israel advisor. Like Adelman, he often expresses extremist and often ridiculous anti-Arab and anti-Muslim views. More recently, he wrote an opinion article in the Wall Street Journal openly admitting his racist hatred of Islam claiming that Islam should be the enemy, not terrorism.

Mel Sembler

President of the Export-Import Bank of the United States. A Prominent Jewish Republican and Former National Finance Chairman of the Republican National Committee. The Export-Import Bank facilitates trade relationships between U.S. businesses and foreign countries, specifically those with financial problems.

Steve Goldsmith

Senior Advisor to the President, and Bush's Jewish domestic policy advisor. He also served as liaison in the White House Office of Faith-Based and Community Initiatives (White House OFBCI) within the Executive Office of the President. He was the former mayor of Indianapolis. He is also friends with Israeli Jerusalem Mayor Ehud Olmert and often visits Israel to coach mayors on privatization initiatives.

Adam Goldman

White House's Special Liaison to the Jewish Community.

Joseph Goldenhorn

Bush Campaign's Special Liaison to the Jewish Community. He was the DC finance chairman for the Bush campaign, as well as campaign coordinator, and former ambassador to Switzerland.
