It is time to show that the cry of bigot is raised mostly by bigots. There is a religious prejudice in this country; there is, indeed, a religious persecution, there is a forcible shoving aside of the religious liberties of the majority of the people. *And this prejudice and persecution and use of force, is Jewish and nothing but Jewish.*

It is well enough that people of the nation do not understand our banking and monetary system, for if they did, I believe there would be a revolution before tomorrow morning.

Henry Ford (1863 - 1947)

"I am convinced that nearly all wars are caused so that someone will profit and those who profited and those who are profiting now are the International Financiers, the Jews.

Gather together the fifty most wealthy Jewish Financiers, the men who create wars for their own profits, control them and you will put an end to it all."

In Henry Ford's book, *The International Jew*, written in the 1920s, he outlines the beginnings of the Anti Christian Jews initial attempts to eradicate Christianity from public life.

Henry Ford writes:

"The Jews' interference with the religion of others, and the Jews' determination to wipe out of public life every sign of the predominant Christian character of the United States, is the only active form of religious intolerance in the country today"

Quotations from Chairman Henry Ford, Sr.

"Why discuss the Jewish Question? Because it is here, and because its emergence into American thought should contribute to its solution, and not to a continuance of those bad conditions which surround the Question in other countries..."

Not only does the Jewish Question touch those matters that are of common knowledge, such as financial and commercial control, usurpation of political power, monopoly of necessities, and autocratic direction of the very news that the American people read; but it reaches into cultural regions and so touches the very heart of American life."
