

**ADL's (Anti-Defamation League) slogan is *Fighting Hate for Good!***

On the contrary, this organization is clearly designed to re-write history and teach the consequences of anti-Semitism, yet somehow forgets to protect hatred towards other groups like the ADL claims to stand for.

- Their website is littered with headlines such as *"The ADL launches a new digital course for High School students to teach about the consequences of anti-Semitism and hate."* Notwithstanding, why does the word anti-Semitism always appear prior to *hate*? Why wouldn't the headline simply state a course is offered to teach students about the consequences of hate? Everything mission the ADL has is to paint the Jewish people as victims, wherefore, they can continue their ruthless racism and unnecessary violence towards all other groups disparate from themselves. - *S.P.*

## “ JEW ABE FOXMAN OF THE ADL DENIES THE ARMENIAN HOLOCAUST

For many years, the *Anti Defamation League* and now its director, Abraham Foxman, refuse to acknowledge that the massacres of 1.5 million Armenians between 1915 and 1923 constituted genocide. Jews simply can't stand to share their so-called "martyred-race" status with anyone else. And besides, Jews don't like to have their crimes pointed out to them. If one does, he is instantly labeled an "Anti Semite!"

Foxman has reiterated the ADL's opposition to formal U.S. recognition of the Armenian Holocaust calling a proposed Congressional resolution "a counterproductive diversion." This position is inconsistent with the ADL's mission statement "to secure justice and fair treatment to all citizens alike."

But the Jew Abe Foxman and his racist ADL organization do not care about any other ethnic group but their own. And they will lie and suppress the historical facts (and all historical facts that incriminate the Jews) of the Armenian Holocaust and the role that the Jews played in it. Foxman and all Jews do this in order to perpetuate their image as "innocent victims."

**WE CANNOT ALLOW THE JEWS** to get away with their suppression of historical facts that incriminate the Jews any longer. Abe Foxman and his racist Jewish friends love to see Revisionist Historians thrown in jail for questioning particulars of the Jewish Holocaust in Germany.

But it is Foxman and the rest of the Jewish censors who should be thrown in jail for denying the Armenian Holocaust! Why do Jews abide by a double standard constantly? Aren't we all sick of it and all these Jews for that matter by now?

I, for one, Brother Nathanael Kapner, a former Jew and now an Orthodox Christian, will do all in my power to expose the Jews. For the Jews are *\*not\** innocent victims of persecution against them but have *\*prompted\** backlashes against them throughout their "wandering-among-the-nations" history.

**The Jews in fact are the most fierce perpetrators of racist crimes the world has ever known.** And the Armenian Holocaust of which the Jews are responsible is a clear example of their Jewish racist crimes. ”
