

*Addressing the Jewish problem. Their hatred for everyone disparate is inhumane. We must attack our congressmen who accepts bribes. The congress is the most vital, and the only weapon we possess to secure our existence.*

*Harry Truman* "If even Jesus couldn't satisfy them, then how could I ever Satisfy them?"

*John F. Kennedy* "We are opposed around the worldwide by a monolithic conspiracy...."

*Israeli Prime Minister – Ariel Sharon* "We the Jewish people control America and the Americans know it"

*Congressman Paul Findley*, Serving Illinois 1960-1982, Published a book: *They Dare to Speak Out*

*He said Israel foreign policy is treated like domestic policy the Jewish lobby that controls it is most intimidating and rich they just control all action towards Israel He pointed out our policy towards the Middle-Eastern Muslims would have immense consequence on our population in the future, and this was long before all the terrorist attacks and 9/11.*

*Paul Findley had gotten sick and tired of Jews manipulating the political system and every action taken is going against any descent morals always taking-away from the American people and strictly benefitting the Jews only. They're awarded 4 billion dollars per year, additional to receiving everything else for free. They are the only other country who possess our most advanced weaponry and even worse, they're alert to all our military secrets! Nevertheless, many congressmen have spoken-out on the fact which they openly steal far more money than the 4 billion, to add to the already 4 billion. Afterwards, these Jews funnel the money back to U.S. and it given to election campaigns for both Democrat or Republican, who-ever promises to perform more evil deeds for them, receives the money. We already give far too much to the 'Fed', in addition, to having Israeli citizen, liars and thieves, in OUR government; who simply steal just as much of the Working/Middle-Class Americans money. Therefore, you now must ask yourself a vital question: Where's 1/3 of my paycheck going?*

*Curtis Richard H.* titled a book named **Stealth P.A.C.** (A.I.P.A.C.)

*This piece of literature is a manifestation of the Political Activist Committees other hidden names which always and only assist the Jews. This book claims to have an addition 300 names outside of JewPAC.*

*Senator Ernest Holling* said on the congress floor, "You can't have an Israel policy other than what AIPAC gives you." This occurred on May 20, 2004, when he waited directly prior to his retirement before he spoke the truth. Henceforth, what good did he do? Basically, he was claiming he wouldn't risk his own career, but he desires others too. He wouldn't have gotten re-elected with the massive Jewish funds that would oppose him after denouncing these Jews. Accordingly, whether being a republican or a democrat, they control all the money, and this means they control you.

*Sell-outs who take the Jews money's a huge problem! Identical to what occurred with the Oligarch's in Russia. Worst of all, many of them act in this manner, because the Jews have already brainwashed them into believing evolution*

and other falsities which resulted in them abandoning Christianity; and the Jews know and relish in this fact! People are only concerned with their own life. Even for the individuals smart enough to realize they're destroying the future, they remain merely concerned with money accumulated within their own life. Even for those who realize their actions will destroy the future for their grand-children, they assume it'll be okay for at least their own grand-children. (sickly-selfish). Likewise, do they fail to apprehend the fact that the Jews won't allow any other's to live well once they've consolidated control? Perchance, these men/women don't care about their own grand-children. (yet, if they possess plenty of wealth, we're certainly speaking on behalf of a few more generations down the road).

→ We as citizens must raise our voices to the congressmen, and ask them to stop selling-out over material wealth. Naturally, the Jews will widen their bribing campaigns to silence us, and begin targeting new people they know they can bribe. Therefore, many generations will pass until we become most successful, but will Americans wait this long? Perhaps, many of us are also merely worried about just our lives and the lives of our children, Why, are we like this? The answer's because we have no unity. Henceforth, we don't collectively work together at completing long-term goal like the Jews; who're all strongly united, in part due to their hatred of Christians.

### **Ralph Nader – “Washington is an Israeli puppet show” and they steal billions of tax dollars”**

President Bush was the foremost disgrace, when referring to puppets of the Jew's. The Bush family's supposedly one of the wealthiest families in the world. They're supposedly related to multiple presidents (beginning with G. Washington) and former monarchs of Europe. They even made a fortune during WWII, with some of the income originating with Jewish workers at the Nazi concentration camps.

Nevertheless, Bush removed Christmas from the White House and let the arrogant Jews construct the world's largest menorah on the White House lawn, instead. They needed to bring in a hydraulic-lift to raise a man to the elevation required to light this menorah, and they performed this ceremony on Christmas day!

*(after his presidency he manifests on a commercial which does nothing, but a promotion of the Jewish religion).*

Hence, we now have President Donald Trump who brought Christmas back to the White House this past year. Nonetheless, this was simply more deceit brought-forth by these lying Jews. Within the borders of Israel, Christmas was banned in Bethlehem and Nazareth. It'll probably never be reinstated there again. The many persecuted Christians whose families lived in peace within Palestine, long before the Zionist arrived conquering the land with American weaponry, would like to thank you Mr. Trump.

Look in Jewish newspapers. The Australian Jewish New on feb. 15, 2002 pg. 17 the Jews were already bragging and making-fun-of Bush, depicting him as a puppet on strings held by the Zionists. However, he continued their dirty-work and even invaded Iraq for them. The paper said they'll give Bush a dradel to play with, while they run our country. Bush's spokesman who never left his side and consistently appeared on the television news was – Ari Fleisher, Official White House Spokesman for President Bush.

They just have these positions because of the banks and they only look out for each other with the unity Christians don't possess; mainly because they destroyed Christianity with a series of lies. Imagine how many bozo's, straight unqualified men, (because they're Jewish) are making decisions which they're completely unqualified to perform? This argument truly doesn't matter anyhow, because their thought-process is completely different from all-others.

John Kerry claimed to be part Jewish to get AIPAC's support and a few appointees came to run his campaign.

*Richard Perle, Chairman Defense Policy Board*

*Paul Wolfowitz, Deputy Defense Secretary architect of Iraq War. Made a new position in ... hired his friend who then was prosecuted for personally designing (100% made up) all the documents stating a proof of WMD 's in Iraq; which's ridiculous because if Saddam had any left, we gave them to him in the first place. This man was found GUILTY by the Supreme Court, but then received a 'Pardoned' by G. Bush; as he simply planned all-along.*

*A list of the inhumane scumbags involved in destroying the world, while Bush played the innocent front-man, a Christian from Texas. How could anybody lie in such a manner – a Christian? He's clearly not.*

*Jews responded that he was full of Jew hatred and of course the fraze the Jew's invented came up as anti-Semitic, was applied.*

*It's DISGUSTING looking at how selfish they are.*
