Oh My God! Another School Shooting. We must make our voices heard and take this protest to the street. They'll do anything to remove all the guns from Americans homes prior to forcing everyone to have *Micro-Chips Implanted* inside God's Temple, (our Body), passing *Forced (so-called) Vaccine Laws* like in California, and committing Genocide on Christians and other citizens; reducing populatng, threats, whosoever they choose whenever they so choose.

When Trump said, "*all the warning signs were there*" he wasn't truly referring to the one kid's (patsy) mental-illness, like so many believe! He was referring to the Secret Service arriving out of nowhere at that school 4 weeks prior. - **Red Flag**

Thereafter, as told by upset *Senior Jalen Rose*, they imposed new fire-drills to terrorist/shooting/bombing drills - **Red Flag** Furthermore, making the students act out these strange drills which don't make sense to anyone and have a continuity of private meetings with the teachers

The HERO Children for speaking-up and saying...."they're lying!" Senior *Laura Meidnik*, "*I heard gunfire from the other side of the school at the same moment I saw the now supposed shooter and he had no gun.*" Laura didn't even like this individual. She said he was a "weirdo." Senior *Jalen Martin*, stated 4 weeks prior to the shooting, he couldn't believe the Secret Service arrived at our school and began private meeting with teachers and we were forced into new fire-drills; bombing/terrorist/shooting drills. Jalen continues on to explain the odd behavior and words from a teacher who seemingly acquired knowhow of this event beforehand.

Another child mentions the amount of cameras placed on the areas of intense activity during this shooting, where the media and law enforcement claims parts of this event took place. He said, "there's no way the cameras didn't catch it." Nonetheless, we're told otherwise....
