

# Real Nazis, Or More Zionist Hoaxes?

**World Church Of The Creator**

## Some Previous Hoaxes

### **American Nazi Party**

The German-American Bund was a pro-Nazi political movement that started in 1935. Under the leadership of its "Führer," a notorious anti-Semite named Fritz Kuhn, the Bund at its height claimed about 15,000 members.

A 1939 rally in New York City's Madison Square Garden attracted an audience of 20,000 (which oddly were mostly Jewish). The Bund's fortunes experienced a downturn in 1939, when Kuhn was sent to prison for embezzling funds.

It turned out that the ADL was financing the whole thing.

## George Lincoln Rockwell

Rockwell ran the American Nazi Party from 1959-1969 with six part time troopers and 300 followers.

The father was a [Vaudeville performer](#) and earned \$3,500 a week in 1925.

George grew up surrounded by Jewish entertainers such as Fred Allen (Fischel Lebowitz), Rudy Vallee, Benny Goodman, Groucho Marx and Walter Winchell (Jewish Vaudeville dancer).

He went to Hebron Academy, Brown University, and New York Art College (all hotbeds of Judaism).

### The Commander's Army

### Rockwell got enormous publicity

Oddly, the Jewish media lavished him with massive publicity, which was totally odd for a mere "Army" of six people. Even Hugh (Heim?) AKA Hefner put him in Playboy.

Rockwell's legend was 100 times bigger than his persona.

### Shot By Jewish Assistant

Rockwell was fatally shot by John Patler, a disgruntled ex-party member who he accused of trying to insert Marxist propaganda into the newsletter of The Stormtrooper, which was the party newspaper.

### **The 1978 Version Of The American Nazi Party**

Frank Collins, a modern Fuhrer, marched in Skokie, IL, which has the largest population of Holocaust survivors.

In 1980, Collins was discovered to be a Jew named Frank Cohen - he was convicted of hiring underage boys and violating them – sent to a country club prison by a Jewish Judge and released after three years.

1984 --- Frank Cohen gets out of prison and moves to Wisconsin. Now, Frank Collins goes by the name of Frank Joseph and publishes an Internationally-known magazine, The Ancient American.

With his newfound wealth he travels to South America where he happens to enjoy some young boys.

### **The 1999 Nazi Party**

Run by a monster called Wolfgang Hawke-- whose birth name is Andrew Brita Greenbaum.

This Fuhrer was indicted for selling Penis enlargement pills on the internet.

## **Ben Klassen**

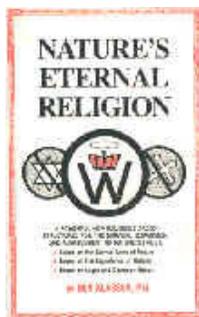

## Ukrainian Jew

### 1973 - Church Of The Creator

Ben Klassen was born in 1918 in the Ukraine, to a wonderful Jewish family. When he was six, he and his family fled the Ukraine to try to start life anew in Saskatchewan, Canada. He was 22 when World War Two started, and as with most Jewish men, he sat the war out in college. He later joins the John Birch Society -- which is now known as a "smokescreen for the Jews". Next, he moves to Florida and participates in George Wallace's 1968 presidential campaign.

In 1973, Klassen formed the COTC with the publication of a 511-page tome entitled "Nature's Eternal Religion".

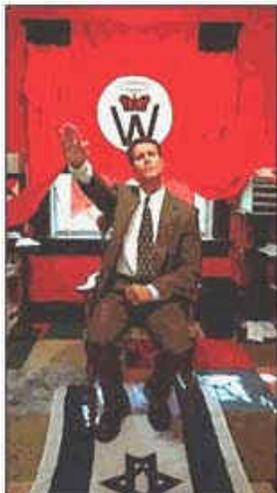

Klassen runs his church for 20 years without any trouble from the ADL and such. In 1992, he decides to sell his North Carolina headquarters compound to William Pierce, head of the neo-Nazi National Alliance. Klassen turns the church over to a Mr. Wilson, who fires him and replaces him with a Richard McCarty, a telemarketer.

In 1993, Klassen commits suicide by an overdose of sleeping pills.

## **Enter Matt Hale**

The WCOTC meanders, then miraculously, an avid white supremacist named Matthew Hale shows up. Hale had been an avowed racist since the age of 12, when he became fascinated with Adolf Hitler and National Socialism after reading the "The Rise and Fall of the Third Reich" and, later, Hitler's Mein Kampf.

Like the KKK and Aryan Nations, the WCOTC considers the purging of Jews from the ZOG (Zionist Occupied Government) of the United States a top priority.

Hale brutally beat a Jewess named Paula Erlichman. " When he was beating my head against the cement, you cannot imagine his eyes, the hate in his eyes," she says. " I thought, 'This man hates me and he doesn't even know me.'" She says she saw the same look when Hale was on Dateline. " Charges were never filed against Matt Hale.

Oddly, the press seems to cover his every move.

In 1998, Hale earned a law degree from Southern Illinois University and later passed the Illinois bar exam, but is denied a license to practice.

## **Dershowitz is Hale's Lawyer**

Dershowitz, who is Jewish, agreed to help despite Hale's anti-Semitic preachings.

"Although I find his views utterly reprehensible and despicable, I don't believe anybody should be denied admission to the bar on the basis of their views," Dershowitz told the Associated Press.

## **In 2000, Hale Goes To North Western University**

Matt Hale, leader of the white supremacist World Church of the Creator, announced he would meet on campus with Northwestern student supporters to discuss establishing his group as a campus religious organization.

Abraham Bienen -Pres. says " Hale is a monster and I should know because I am a Holocaust survivor.

## **In 2002, Hale Gets Arrested**

Tony Evola, Hale's subordinate, sets him up in a FBI sting - he is charged and he becomes a martyr. In 2004, he is convicted of solicitation of murder and gets 40 years. [Matt hale as of 1/1/2006.](#)
