Mission Statement

The South Carolina Trappers Association being duly grateful for the rich legacy of wildlife
 Bequeathed by our predecessors, associate ourselves for the following purposes:

- By promoting trapping of wildlife in the State of South Carolina consistent with the Department of Natural Resources management plans and laws as they exist.
- To promote sound conservation, legislation and administrative procedures.
- To save and faithfully defend from waste of natural resources of the State of South Carolina.
- To promote a continued annual fur harvest using the best management tool presently available for that purpose.
