- http://www.synaxis.info/psalom/hymnography/2_sticherari/c/c-iii_prosomoia_stichera/catalog_stichera.html
- <https://music.russianorthodox-stl.org/podobny.html>
- Also, you can email Rdr. Alex Fecanin, Jr. for additional help finding special melody sheet music:
alfec55@gmail.com
- *Note: it is also possible to find a few Carpathian and Bulgarian Chant Special Melodies on OCA.org within specific feastsdays, but there is not a separate page devoted directly to Special Melodies, unfortunately.*

MUSIC SOFTWARE

- <https://noteworthycomposer.com/>
(Note: there are certainly more refined and advanced software programs out there, but this is the one we've gotten comfortable using, mainly because it is easy to write music "free verse" (without time signatures) within it, among other reasons.)
