

No. 82185

An Ordinance

Regulating the Installation of Mobile Homes

Whereas the amount of water available is questionable and the present distribution system is limited, it is in the public interest of the citizens of Tehuacana and for the protection of their welfare to limit the number of Mobile Homes placed in the City Limits and to regulate those so permitted within the City Limits.

Now Therefore Be It Ordained By The City Council of the City of Tehuacana:

Section 1. Except as by written permit, by the City Council, the installation of a Mobile Home for use or occupancy as a residential dwelling within its corporate limits shall be prohibited.

Section 2. A replacement home must meet HUD Code requirements and have a permit before installation.

Section 3. Installation of Mobile Homes shall be limited to one unit per property owner.

Section 4. Upon application, the installation of a HUD Code manufactured home may be permitted in those areas determined appropriate by the City Council.

Section 5. Installation of a mobile home without obtaining a proper permit shall be deemed a violation of this ordinance and cause to withhold water service.

Section 6. It is the intent and purpose of this ordinance to have all Mobile Homes within the city limits in compliance with Art. 5221f and as amended S.B. 1267.

Section 7. To become effective September 1, 1985.
Passed and approved this 21st day of August 1985.

BUSINESS SERVICE

Medical Consultants Inc. will offer home health services. Next month Medical Consultants Inc. will begin offering help and the disabled, enabling them to maintain independence.

Nancy Evans, Ex-Director is implementing the program directed by a physician.

Home health care allows patients, most of them elderly, hospital stays by receiving follow up treatment at home.

The program came about because of patient demand and cost of health care in general.

Ms. Evans states it is important to treat elderly patients at such a person to a hospital upsets his routine and that of his in an environment over which he has little control.

The program will start Sept. 1, and will initially serve at response determining the eventual number of patients in the social workers, physical therapists and home health aides.

The Home Health Care Center will be located at 107 E. F
