

Hobbs Island Shooting Range

Membership plans

The Hobbs Island Shooting Range will be changing our membership plans effective June 1, 2020. All current member plans will remain in effect until their expiration date as noted on the membership cards. After June 1st, the limited membership will no longer be offered. The new plans can all be paid on a monthly basis via ACH on your credit card. All new contracts will be for 1 year and will automatically renew unless we receive written notice to discontinue membership. Such notice must be received 30 days prior to the renewal date or the automatic renewal will process. We have no provisions for early termination of memberships. The new plans are as follows:

Basic: Unlimited access to the static ranges, 2 free guest passes per year (non-accumulating), discounted league, contest, and training fees. Cost: \$34.99 per month

Silver: All Basic benefits plus free use of golf carts (based on availability), free target stand 1" X 2" boards, and four (4) additional guest passes per year (non-accumulating). Cost: \$59.99 per month

Gold: All Silver benefits plus free use of the pistol/carbine action bays (based on availability), six (6) additional guest passes per year (non-accumulating), free Hobbs Island Shooter's League membership and free initial 1 year membership for BamaCarry. Cost: \$89.99 per month

There is a \$30.00 set up fee for all membership plans. This fee will be waived for those who sign up prior to October 1, 2020. If your current membership is still active, the new fees will not be charged until after your renewal date. If any payment is rejected by your credit card/bank, you will be charged an additional \$50.00 insufficient funds fee.
