NOTICE OF ANNUAL GENERAL MEETING

March 16, 2020

Freemasons on the Central Coast have continued to support the Central Coast Community this year.

Since the 2019 AGM we've also implemented a new look with a more cohesive brand identity. We've also taken steps to demystify the public confusion between **Karagi Court** and **Freemasons on the Central Coast** by restricting the use of the **Karagi Court** name to within our own ranks. To the public we will focus on using the **Freemasons on the Central Coast** name and identity. To this end we have changed our email and website addresses, and are in the process of updating the website look and content to reflect this new messaging. We are **Freemasons on the Central Coast**, and we hope the new awareness this brings will benefit both the community and our fraternity. With our identity a bit clearer, we can focus on what matters – helping our community and in so doing, promoting Freemasonry to the Central Coast.

We would love to see you at the Annual General Meeting but if you can't make it, for any reason, please make sure to keep in touch and visit our website or Facebook page to keep up-to-date with our activities.
