

Showcase of Home Parties

Who doesn't love to shop?

From purses to kitchen gadgets and from candles to baskets... sell booth space to several home party demonstrators. Whether charging entrance fees or raising money through on-site concessions, plan for a grand time that benefits the vendors as well.

Steps for Success

Get creative with your vendor ideas. Examples include Tupperware, Longaberger, Uppercase Living, Pampered Chef, Tastefully Simple, Party Lite, and Stampin' Up. There's something available for every interest and taste.

You can charge an entrance fee or just collect proceeds from booth rentals. Encourage the vendors to donate door prizes.

The showcase can be an individual event or it can be part of a different event. It's up to you whether you hold the event at your house or rent out a space (at a discounted rate).

Also consider including food vendors.
