FOR IMMEDIATE RELEASE

### **Civilworks New England hires David W. Vincent as Licensed Land Surveyor**

Civilworks New England LLC is excited to announce its recent hire of David Vincent, who joins the Civilworks team as a Licensed Land Surveyor working from the Dover office. Within this role, Mr. Vincent will provide services for surveying and septic design projects.

"I'm excited to join the Civilworks New England team and offer my expertise in boundary and site surveying along with subsurface septic designs." - David V.

After graduating high school David served in the United States Navy from 1975 to 1979. After serving in the Navy he went to the New Hampshire Technical School in Berlin, New Hampshire and received an Associate's Degree in Applied Sciences with a major in Plane Surveying in 1982. David has been licensed in New Hampshire as a Licensed Land Surveyor since December 1991 and a Licensed Subsurface Septic Designer since December 1998. Prior to starting his own company in 1998, David had been employed since 1983 with engineering and land surveying firms in the seacoast area and Massachusetts. David W. Vincent, LLS, started his own business in 1998 as Land Surveying Services and has been providing land surveying and septic design services continuously. David received an Associate's Degree in Paralegal Studies in 2010 to supplement him in the various aspects of the legal world associated with boundary surveys.
