## A message from our President Alisha Nesbitt

My name is Alisha Nesbitt, and I am honored to be serving as your FL-PASS President for the 2023-2024 school year. I have been a member of FL-PASS for the past four years and have served in the capacity of President-Elect and Past President. I am excited to serve again as President.

I am currently entering my 12th year in education. I have taught in the middle and high school levels as well as an Exceptional Student Education Center working with students with emotional behavioral disabilities. I have also had the opportunity to teach adult and underage GED students, along with Home Based and Home Bound students. I am currently a Related Services Program Coordinator in Pasco County, working with the district's speech language pathologists, occupational and physical therapists, in addition to assisting with assistive technology needs.

The executive board has been working hard on putting together another conference this year, with our goal of it being an in-person conference.

Please be on the lookout for forthcoming information as we work on finalizing the spring conference details.

Should you have any questions, please feel to reach out to myself or any of the board members. I look forward to working with everyone this year.

Yours in Service,  
Alisha Nesbitt, MBA, MEd  
Related Services Program Coordinator  
FL-PASS President
