

Actions requested of Club members before May 28th/June 4th

(Detailed instructions below):

1. All Drivers need to register in MyRacePass.com by claiming their profile.
2. Complete membership forms and submit them with payments by May 28th. After May 28th the \$25 late fee will apply to all memberships.

Driver profiles can be claimed in the MyRacePass site (Doing this step first will speed up the membership approval process):

- 1) Open [MyRacePass](#), open "Products and services" then "Drivers". On that screen you can "Claim your profile".
- 2) No subscriptions are required to claim your profile and register for events.
- 3) Search for your name to avoid duplicate entries and a \$50 fee from MRP
- 4) If your name (Profile) is not registered already, select "Create new" and you can claim your profile for free.
- 5) You can add various levels of information about your racing career, sponsors, team and other profile information
- 6) Upgraded memberships (Fee based) are available to allow you to share your teams race schedule, merchandise, and other information but none of those are required to compete in the FRRC events.

Memberships are available two ways:

- 1) Print form from FRRC.us and mail to FRRC, PO Box 152, Kimberly, WI 54136.
<http://www.frrc.us/forms.html>

- 2) OR Open [MyRacePass](#), search for "Wisconsin Int. Raceway". On the WIR page, there are 2 choices for registration. General membership is for non-competitors; 2020 – FRRC Membership includes the competitor fields.

- a. Complete all required fields and submit with payment. Currently the site only accepts PayPal payments but the folks at MRP are working to add credit card options.
- b. If you plan to compete, we will be able to use your claimed profile to register you for events and speed up our back gate and lineup processes.
- c. Tickets for the event are also available on this site by selecting the June 4th race event and ordering tickets. You will receive an electronic ticket that you need to present at the gate for admittance. Either paper or smartphone/tablet tickets will work.
