**STUMPF BECOMES FIFTH WINNERS IN AS MANY WEEKS IN WIRE-TO-WIRE
WIR WIN**

(KAUKAUNA, WI) July 2 –Woodville's Alex Stumpf became the fifth different winner in as many weeks, leading every lap en route to victory in the 35-lap super late model feature at Wisconsin International Raceway in Kaukauna Thursday.

Stumpf outraced Maxwell Schultz from his pole position at the drop of the green of the 35-lap contest. The Woodville ace didn't have much time to build upon his margin as an amber flew just two laps into the books when Corey Manders and Trevor Vandermolen tangled in turn four while battling near the tail of the field.

When racing resumed Stumpf maintained the lead with Grant Griesbach hot on his heels. By lap ten the duo has pulled away from the field slightly with Griesbach sticking within a car length or two for the next several circuits. While the pair built up a heavy margin over third place finisher and fast qualifier Jeff Van Oudenhoven, Griesbach wasn't able to pull off a pass and Stumpf collected the checkers. Griesbach settled for second, followed by Van Oudenhoven, Maxwell Schultz who made his first appearance of 2020 and last week's feature winner Bobby Kendall.

Neenah's Braison Bennett motored around Oshkosh's Chase Randerson on the final circuit to capture his first late model feature win of the season. Trailing at the checkers were Randerson, Bryan Monday, Chad Devine and Mike King.

In ¼ mile late model action an ever-growing field of 14 cars were in action in split features. When the dust settled it was a pair of old sportsman stalwarts who collected the checkers. Neenah drivers Tom Spierowski and Rick Spoo each earned feature flags.

Parity continued to prevail in the super stock class. Menasha's Tony Wilz became the fifth different winner in as many weeks in the quarter-mile division. Chasing the second-generation driver down at the checkers were Josh Mueller, Jeff Treml, Trevor Howard and Larry Raygo who placed second through fifth, respectively.

Despite only racing on a part time basis in 2020, Menasha's Jason Plutz, a former sport truck champion, showed his foes he hasn't lost his touch. Plutz scored a near full straightaway win, his second of the season. Jason Van Handel took second place at the pay window, followed by Bobby Wautier, Tanner Fickel and Kody Vanderloop.

Hometown driver Jesse Nettekoven scored a popular three-wide win on the quarter-mile in the Sizzlin' 4 class. Nettekoven came out atop a race long dogfight with Freedom's Mitchell Opsahl, who settled for the bridesmaid spot at the checkers. Arianna Beattie took third followed by Ethan and Evan Beattie.

Veteran Terry Van Roy of Darboy won the Figure 8 feature.

Next Thursday night July 9 the track will host the White Race sponsored by Vanderloop Equipment on Scott Vanderloop Memorial Night. The Rockin' Rovals will make their third appearance of the year. Racing gets underway at 6:45 p.m. You can check frc.us for more information or follow the club's Facebook page.
