

**2020 International BPCR Showdown**  
**Aug 3-4, 2020**  
**Whittington Center, Raton, NM**

- Presented by Heart of Texas Silhouette Association (HOTSA) and Smithmoor Range
- Range Location NRA Whittington Center, Raton, NM at the High Power Rifle Silhouette Range.
- Rules NRA Black Powder Cartridge Rifle Silhouette rules will govern, with the exception that iron and scope sights compete against each other.
- Eligibility Open to anyone interested in BPCR silhouette with a NRA BPCR legal rifle and black powder load.
- Firing Schedule Firing will commence at 8 am on Monday preceded by the shooters meeting at 7:30. This is a two day match, 60 record shots each day, 120 aggregate. Range will be open most of the day on Sunday for practice.
- Course of Fire 15 record shots for each animal. 7 minutes will be allowed for unlimited sighters and 5 record shots, followed by 2 sets of 5 minutes for 10 record shots. There will be 30 sec readies.
- Fees \$100.00 per competitor.
- Conditions We are planning to have limited target setters, meaning less setters therefore less cost.
- Squadding Squads will be assigned either by competitor's entry form & requests or placed by the director. Squads will consist of 3 competitors. With limited target setters, target reset times will be longer allowing for small breaks between shooters. Changed from 2 to 3 relays as of March 15, 2020.
- Rifles Allowed All Rifles and equipment will conform to current NRA BPCR rules.
- Classification The NRA BPCR classification system will be used in all matches. Individuals who have not been classified will fire as "Unclassified" which will determine their future class.
- Jury A Jury of three competitors will be selected to settle rule disputes.
- Awards An Overall award will be presented for overall winner regardless of class. Awards will be given for 1st place thru 3rd place in each class- Master, AAA, AA and A. Scope and iron sights will be grouped together. Shoot offs will be used for the aggregate tied placings, all other ties will be settled by reverse animal count.
- Current Sponsors Montana Vintage Arms and Shiloh Sharps
- Entries Entry is made by sending the registration form and money, **due by July 1**. Late entry fee will be \$20.00 extra. Entries will close when 80 applications are received. If needed, a waiting list will be started.

**Fouling control procedure** \_\_\_\_\_

## Friends,

Thank you for your support in providing a BPCR Silhouette Match at the Whittington Center. There has been much discussion and many changes to the NRA National BPCR Championships this year and we, as a group of shooters, felt it was important to continue the tradition of a prestigious match at the Whittington Center, therefore, we volunteered to donate our time and services to the shooters. Please know that we are doing our very best to provide a fun, quality match for the shooters and your support and understanding is greatly appreciated.

Your entry fees will be used for Whittington range fees, target setters and prizes. We, as the directors and presenting clubs will be volunteering our time and services to the match. If you or someone you know is interested in donating prizes or their time to help with the match, please contact Kenny Tebbe or Cody Smith.

There has been much debate about iron and scope sighting systems competing against each other. There are pros and cons to each sighting method, but in the end, it is hard to claim there is a clear advantage to either one on an average day. Therefore, in an effort to keep the match simple and affordable we are not separating iron from scope. It will be a two day match with the best scores winning, regardless of sighting system used.

The schedule: We are planning on starting the shooters meeting each morning at 7:30 followed by the match.

- Sunday, Aug 2: Set up, sight in, practice and register
- Monday, Aug 3: 60 shot BPCR Silhouette match, Daily awards following match with Shooter's Discussion
- Tuesday, Aug 4: 60 shot BPCR Silhouette match, Daily & aggregate awards following match

There was also much discussion on how to handle squadding, ties, target setters, and various other aspects of the match. The target setters are one of our largest expenses and the simplest way to keep match fees as low as possible was to limit the number of target setters. In order to keep the match from going too late in the day due to longer setting times, we limited the match to two relays. With the longer setting times, there should be plenty of time for breaks during the match and we are hoping for a bit more of a relaxed atmosphere. Shoot-offs will be handled by only having shoot-offs for the aggregate ties. Reverse animal count will be used for any daily ties. We are doing this in order to decrease the amount of time spent on shoot-offs after the match.

We are very excited to have Shiloh Sharps and Montana Vintage Arms as our major supporters. Thank you!!

On a final note, we are committed to providing a family atmosphere for our shooters and their families. Anyone, any age is welcome on the range whether shooting or not. We just ask that everyone be respectful of those shooting by keeping conversation back from the firing line and quiet while firing is occurring. Also, one of the greatest pleasures of being involved in BPCR shooting is the camaraderie of such a polite, courteous, and respectful bunch of good people. Please help us to continue this tradition by being mindful of the children and ladies through refraining from rough language, off color jokes, and excessive alcohol use in their presence.

Please remember and follow the Whittington Center rules as we are their guests and shooting on their ranges.

Thank you for your cooperation and we are looking forward to a great match!  
HOTSA and Smithmoor Range

## Questions

Please email Kenny Tebbe at [Kenny4570@gmail.com](mailto:Kenny4570@gmail.com) or Cody Smith at [SmithmoorRange@gmail.com](mailto:SmithmoorRange@gmail.com)

**Thank you and we look forward to seeing you!**
