

Shooters and Friends,

2/12/2022

Hot dog I had a good time yesterday! Everybody seemed to be in an extra good mood yesterday and the jokes and ribbing were almost non-stop! It was sure fun and I am still smiling about it. Thank you everyone for enduring my jabbing, as well as giving it back. It was all in good fun.

As usual, we ate well yesterday. Coralee made a big roaster full of ham and beans along with corn bread. Ed Himelhoch brought a couple of birthday cakes to help celebrate myself and Steve Anderson's birthdays this month. Marsha Farmer brought a super cake as well. There was also a plethora of donuts for a morning snack. It was all very good and very much appreciated!

Weather conditions were a little rough this match. It never did really farm up and was quite breezy. The winds were also quite switchy and didn't seem to stay the same for very long. Several of us struggled, and several had it figured out. It's always a challenge for sure!

The gongs were moved back a few yards this month and proved to be really tough. Between the switchy winds and extra distance, most did not do well. However, Michael Jackson smoked out an awesome score of 73 to be the high score on the gongs. Woohooooo!!!! Steve Anderson and Dick Hennebry tied with 68's for 1st place in our GM/M class while Kristen Womer shot a solid 34 to be 1st in the AA/A class. WY Sight Drifter/SPG Sales 100 dollar bill for a perfect score was safe again this match.

In our regular match Kristen Womer was also our winner in AA/A class, while Joshua Tangeman again shot well to be 1st in AAA class. Master class is always tough competition and Michael Jackson came out in the lead there with a 33. 3 chickens and clean prone! Yahoo! Of note, Dad Gary Smith was second with a 32 and was very pleased. I would sure like to give him a 1st place in Master class certificate one day. I was 1st in GM class with a 34, while super shooter Michael Rix knocked one out of the park with 7 chickens and a total of 35! Wow!! FANTASTIC shooting Michael! It makes me smile it seems to take 35 or better to consistently win here at our Winter Series Matches. Tough, tough, competitors and great shots!

We had 4 clean prone pins to give out this month. Mark Pachares, Greg Bybee, Michael Jackson, and Dick Hennebry all were pleased to take home a coveted clean prone pin. Clean Prone King Dick Hennebry again shot clean prone. This was his 14th one and is on 90 straight lay downs. Wow!

A couple of big news items this month. First, Dan Womer launched the RMBPCR website. It is still a work in progress, but check it out. www.rmbpccr.com Also, Steve Anderson helped me with a podcast and we published it this evening. You can find it at <https://www.spreaker.com/user/10373645/w-recording-draft> or look under the media section at www.smithmoorange.com.

I'm looking forward to some good competition and seeing old friends this coming weekend for our Winter Target Rifle Championship. We still have a few spots left if anyone is interested in shooting. Also, we are about half full for our February 22 BPCR match #2 which will be on Feb 26th, so let me know if you are wanting to shoot it as well.

Tale care my friends,
Cody
