Dear Fairview Families,

The recent events around our country, our city, and our towns are a painful reminder that we all need to do better for our students, our families, and all of those we serve. We have the privilege of educating students of all colors, races, and religions at Fairview. That is a privilege we do not take for granted. Please know that we, at Fairview School District 72, are here for you today, tomorrow, and in the future.

Together, we will work to dismantle racial inequities and do our part in continuing to provide our students a high-quality education and safe, unified environment where all students feel supported and welcome.

These uncertain times are troublesome for all of us, but especially for our students. Please know that Fairview is ready and able to help your family, even if school is not in session. If your child or any member of your family needs support in any way, please contact me directly.

Now more than ever, "We are stronger together than we are alone!"

Respectfully,

Cindy
