

Boarding:

Cape Cod Hedgehogs offers boarding available for your pet.

Going on vacation can be a stressful time for your hedgehog and you.

We believe it is important to keep your pet in its usual routine, and we try to make your pets stay with us as stress free and enjoyable as we can.

We give your animal the love, cuddles and attention it needs. The hedgies are kept indoors during their stay with us, unless we have permission to take them outside to play (weather permitting).

Your animal will not interact with any of our animals while they are with us. All Hedgehogs will have “play time” where they will be able to hang out and run around in one of our play pens on the main floor of our home.

Your hedgehog will be kept on in our living room, and will not be handled by anyone except from Cape Cod Hedgehog’s.

2017 Rates:

Boarding \$10 per day, \$50 per week (per animal)

We can provide a cage with bedding, hide, wheel, food bowl, water dish for an additional \$20 per week.

Other services offered:

Bath and nail trimming \$20.00

Nail trim only \$10

A valid license (or state ID) is required at drop off and pick up of your animal, no exceptions.

The boarding contract needs to be complete when the hedgehog is brought here, and the paper work for when they leave will need to be signed.
