

IC NEWSLETTER – March 2020

## 2019-20 IC PRESIDENT TERRI'S MESSAGE

We've just completed a fantastic International Council Executive Board Meeting and a very memorable and fun Leadership! Your incoming State Presidents are so excited and motivated to share all of the wonderful things they learned just a few short weeks ago! (Current State Presidents and past State Presidents, remember that "rush" you had after attending Leadership?) Please don't wait to let these fantastic incoming State Presidents wait until "their" year to share some of the exciting new things they learned. They're bursting at the seams with excitement and enthusiasm, so let them "rock on!" Oh, and let them tell you what this photo is all about! It's not a secret, so just ask; I'm sure they'd love to tell you all about the laughter and fun!

You're probably all getting ready to plan and/or attend your Spring

Meetings. So, are you planning to invite some special folks who might want to learn more about ESA? Are you planning to have some during these gatherings or is it all about the meeting? I sure hope not because I know people don't necessarily beg to go to a meeting, but I can't think of anyone who doesn't like to have a fun and memorable time with special friends, celebrating good friend, good works, and good times! What about you?

Please don't make Charlotte or me feel like winning the Membership Challenge to have Charlotte come and visit your state isn't a Grand Prize! I sure think it is! The race is on as some states are getting closer

and closer to each other. Don't forget that you have until May 31 to win this Challenge? Any bets on what state it might be?

You probably know that Robin Bussey, our Second Vice President, has recently gone through surgery and is recuperating. She'll be back at it as soon as her body says it's OK. And, in the meantime, should you have any questions or concerns about IC Convention in Grapevine that you would normally send to Robin, please know that LeAnn Wray and I are standing by to handle all of that for you while Robin completes her recuperation. We are family – I got all of them with me!

Until next time –

Cheers,  
Terri

## ESA – AUSTRALIA

I have recently heard from a few folks that requested information regarding my trip to visit Australia for their State Convention. Below is a map of Australia; the state of Queensland is noted in gray. The ESA Chapters in Australia are listed within Queensland. The 2020 Australia Convention will be held in Redcliffe on May 1-3, 2020 at the Mon Komo Hotel.

ESA Australia is structured of five, hard-working, and dedicated branches within Queensland.

Bob and I are planning a month-long grand adventure with a trip to the South Island of New Zealand to do some exploring as well as Bob trekking with an outfitter to hunt Red Stag. We'll then head over to Australia for their Convention and explore the Great Barrier Reef and other explorations within Queensland. Then, it's on to the North Island of New Zealand for more exploration. Bob and I plan to stay in B & B's or small lodges so we can get to know some Kiwi and Aussie friends.

Some US folks have expressed interest in joining part of our trip as well as attending the Australia Convention. I believe at this time there are three other couples that plan to go to the Australia Convention; some will participate in a portion of Bob's and my trip.

This trip of a lifetime is open to **anyone** who would like to join us for some or all of Bob's and my plans. If you are interested in doing so, please let me know ASAP. I will provide you additional information regarding registering for the Australia Convention and also connect you with our travel agent.

## **Brenda Meyers, 2019-2020 Recording Secretary**

Do you remember that famous line? Every girl was in love with Clint back then.

Well, I say you don't need luck when you have ESA. This was in evidence at the Annual Leadership Seminar in February where ESA talent was in full bloom.

Headquarters Staff and the IC Board along with several guest speakers got to interact with an amazing group preparing to Lead and Inspire you. Believe me you are in great hands! I'm sure they are super excited to share it all with you.

But wait... it doesn't stop there. Have you registered or sponsored a new member in your state to attend Leadership Day in St. Louis? This is a great way to encourage them to unleash their full potential!

Maybe we are lucky! Lucky to have so much talent at Headquarters, great ALSAC staff, a fabulous IC Team and each other.

Why let this be our best kept secret? Let's all help someone we know get lucky too. Pledge a new member this month – there could be a new Leader in your future!

**Mary Humphrey**  
**Sr. ESA for St. Jude Chair**

It's hard to believe that 58 years ago on February 4, 1962, the doors of St. Jude opened. Six year old Della shares the same birthday. Because of this connection, she wanted to do something for the kids at St. Jude; she now donates her allowance. Through her donations, she receives her own calendar, stickers, labels and notepads. She's an inspiration!

During Leadership the weekend of February 7 and 8 in Denver, Mackeigan Wuest organized a fun easy cash event for St. Jude raising \$300 with a glider toss, corn hole, and pie in the face. These activities would be easy and fun at any of your meetings; more information on these fundraising ideas are on the ESA website.

Charlotte Carloni was pied by Julene Donnay, Terri Olson by Tracy Swanson, and LeAnn by Kim Kummer. These ladies were great sports!

Ashley Ramsdell, ALSAC, presented the Volunteer Management System (VMS). In the near future, everyone will need to register in VMS to volunteer for ALSAC events. Signup on [www.stjude.org/ESA](http://www.stjude.org/ESA), click on the red Volunteer button, then Register. You can also click on the Search Volunteer Opportunities next to the Register button. Registration for the St. Jude Walk/Runs begins March 1.

If you haven't filled out the booked and your completed event forms, please do so—especially the completed event form! Each and every project for the “kids at St. Jude” is important! As Danny Thomas said, “Volunteers work much harder than paid people, by far, and all of our people are volunteers.”

Keep up all your good work for the “kids at St. Jude”! Let myself [marykh@tds.net](mailto:marykh@tds.net) and Sandy Hongerholt, [shongerholt@yahoo.com](mailto:shongerholt@yahoo.com) know if you have any questions or concerns.

This seminar is open to all ESA members and guests.

<http://www.epsilonsigmaalpha.org/events> >

Information on sessions below. Registration is now open, we'd love to see you there!

## Seminar Topics:

**It's OK to say NO:** Often times we feel like saying "no" isn't an option. In fact, agreeing to everything often leads to unsatisfactory outcomes and burnout. Learn how to protect your time, set boundaries, and start making more time to do the things you love.

**Leverage Your Strengths:** We all have to do tasks that we don't particularly enjoy. That's part of life. What if I told you it doesn't have to be so hard? Learn how to leverage your strengths to accomplish your task list without procrastinating the day away.

**Dealing with Difficult People:** In work and in life, it's inevitable that you will have to deal with people who are hard to work with. Learn about different communication styles and how to resolve conflicts and keep the peace.

**Birth Order and Leadership:** Are first-born children destined to become domineering bosses? Are younger siblings likely to be free-spirits? Learn about how birth order affects our leadership roles and personality in this fun session.

**Mentoring in a Non-Profit Organization:** In all walks of life, in order to excel, you need mentors. Ask yourself these questions: Does your chapter have a mentorship program? Can your mentorship program be improved? We will discuss these questions and more. You will also walk away with templates for tracking your mentorship program along with useful guides for both mentors and mentees. (presented by local Toastmasters)

...AND MORE!

If you've already registered, we will see you soon!

## MEMBERSHIP NEWS

(By Alysha Wagley, IC Membership Chair and Tracy Swanson, ESA HQ Membership Director)

This spring, ESA is proudly pushing toward the milestone of \$300 million for St. Jude Children's Research Hospital, so exciting! As part of our "Push to \$300 million," all chapters are encouraged to join in and support the goal by adding one more cash event to their calendars to support the kids of St. Jude. What a PERFECT opportunity to get out into our communities with fun ESA-created public events benefiting the kids AND engage with new people to showcase the best of ESA friendship and service. Imagine hundreds of events across the country and all the wonderful people who could become interested in joining us as a result.

At ESA's national leadership conference in February, several new event ideas were unveiled including a Mahjong tournament and Grillfest, (visit [www.epsilonsigmaalpha.org/recruitment](http://www.epsilonsigmaalpha.org/recruitment)) as well as some easy-peasy events that can be done with little start-up cost and even in a short amount of time including a glider fly-in, pie-in-the-face raffle, and corn hole competition (visit [www.epsilonsigmaalpha.org/stjude](http://www.epsilonsigmaalpha.org/stjude) for details) .

Choose an event you'll all enjoy and be excited about, get it on your calendar, and use this exciting goal for St. Jude as a way to engage new people in ESA membership opportunities. My college roommate joined ESA in January because she was invited to an ESA for St. Jude Bunco event. She shared, "Everyone was just so NICE, and who can help being inspired by supporting St. Jude. I am so glad you invited me!"

For membership supplies, conversation-starter tips, and ideas to talk up ESA with event guests, visit [www.epsilonsigmaalpha.org/membershiphost](http://www.epsilonsigmaalpha.org/membershiphost) or contact me at ESA HQ, [tracyswanson@epsilonalpha.org](mailto:tracyswanson@epsilonalpha.org), I can't wait to hear what you have planned! -- Tracy

**State Presidents Chair Sr. – Celeste Webb**

It's all about the Fun!

Our ESA chapter has a social 7 months of the year. We sign up to serve on the social for a month and plan the event. This is our time to get together, visit and enjoy each other's company. I was recently signed up to plan January along with 3 of my "sisters". My only comment was I did not care what we did but I wanted it to be FUN! Jill Shull, my travel partner, was on the committee and she was all over this. The first of January she started sending the rest of us ideas via text. The 1<sup>st</sup> she sent 8 texts! On the 3<sup>rd</sup> she sent 8 more along with a share folder for ideas. We made a date to discuss and plan, this texting was not working for me. Again, I didn't care what we did, tell me what to do, and make sure it is fun. When we met, we discussed all of Jill's ideas, we made a plan and divided the work. To be honest, Jill carried the load on this as she had a vision what our "Roaring 20's Party" would look like and different ideas for fun. My job was the Sangria! I did it well! We met early on the date of the social, decorated (Jill's ideas) and waited for the group. It was so much FUN and not a lot of Sangria was consumed!

In November, President Terri Olson spoke with the 2019-2020 State Presidents and she stressed the importance of getting new members. Terri stated how we used to spend allot of time socializing with each other, having fun. Now we spend allot of our time helping others. We used to raise awareness about our causes and now we are the worker bees. This statement really struck me. She is so right! I volunteer allot and I love to do it. When my kids were little I gave of my time as I did not have any extra money to donate. I found I enjoyed sharing my time with those in need. I like to volunteer, it makes me feel good to know I am helping others and to see a smile on their faces. Our world is allot busier and with people working, family activities, etc. volunteerism is down for many service organizations.

Last December I traveled to Memphis to participate in the Memphis Marathon. I am not a runner but I can walk a 5K and raise money for St. Jude and support Team ESA at the same time. Another reason I go is to spend time with my ESA friends. It is fun and we all need some fun in our lives. As I walked through the St. Jude campus there were patients and families cheering, clapping and waving signs of support. I also spotted a huge pink energizer bunny yelling encouragement. Looking a little closer I realized I knew that rabbit, Angie Fairbanks! Along with Angie were Terri Olson, Kim Kummer and LeAnn Wray all decked out in holiday attire yelling words of support. They looked to be having so much fun!

I share all of this to encourage you to make an effort to have some fun in your chapters and states. I know we all have business that needs attended to don't forget to add some laughter somehow.

### **NORTH CAROLINA** **Lauren Ryan, State President**

My family had the opportunity to travel to CO to visit family over the MLK weekend. For those who do not know my Grandmother, Bernice Elich of Pueblo Chapter #2624, has been in ESA for 69 years and is still the President of her local Chapter. My Aunt, Kathy Vanlandingham, joined ESA last year as an MAL just to support me.

While we were in Pueblo, I was invited to attend their FCE (Family Communication Education) meeting. This organization is very similar to ESA in its structure and values. My Aunt Kathy is their Chapter President and very involved at the higher levels of the organization. I was asked to speak as a visiting State President from ESA. I was honored to be given this opportunity.

Observing their meeting was an educational experience for me and I took lots of notes on how they do things similarly and differently than ESA. Their organization is facing the same critical issues that we are. Mainly, an aging membership that is struggling with recruitment. I spoke briefly to this but mostly what I took away from the meeting is that there are amazing people everywhere giving back and serving their communities. I also took away the name of one of their sisters who now lives in NC and is looking for an organization here so that she can continue her good works!

By connecting with this organization and participating in their meeting I was able to recognize in a new way our membership struggles. I was also reminded of the pure beauty of what we do for others and felt more than ever a call to action to ensure that ESA stays strong for generations to come. So often the only organization's that we work with are the ones we are serving. But we should encourage 'Organization Pollination' in ESA. By connecting with other groups like ours we can be reminded of why we do what we do. We can take away new ideas to implement in our Chapters and States. Most importantly we can support and encourage each other.

I encourage you to think of other organizations in your area that you might be able to make this type of a connection with!

## **Chapter Spotlight – I Love BS**

In Minnesota, all our chapters do great things. Every member, in her or his own way, makes our communities better. One our chapters is having an amazing year. **Beta Sigma**, thank you for all you do.

Beta Sigma just recently completed their annual, community service work day at Feed My Starving Children. They brought several chapter members and guests to assemble food packs. That food will be sent to Haiti to help children and families in need.

One of Beta Sigma's fundraisers is their "Mason Jar Meals and Dessert." All the dry ingredients for a kettle of soup or a batch of cookies are packed into a quart Mason jar. They sold out at their first craft sale and had to make a second batch to complete their season.

If they weren't busy enough, they came up with new project: Gently Used Shoes Donation. Beta Sigma is collecting new and used shoes to be delivered to developing countries. Their goal is to collect 2,500 pairs of shoes in the next 2-3 months. As an added incentive, when they reach that goal, they will receive \$1,000 from the sponsor.

Busy as they are, they step up to support ESA Minnesota at the state level. Beta Sigma members currently fill the state roles of Webmaster, Philanthropic Chair, ESA Foundation Counselor, Financial Committee member, Chaplain and Social Co-Chairs.

The State Chaplain is also leading our Louse Penny book club. The Social Co-Chairs are taking us to the casino in a few days. Oh, and Beta Sigma is also hosting our March state meeting, "Let's Think Spring!"

Thank you, Beta Sigma. You are AMAZING!

## **Margaret Horten Tennessee State President**

Ready for Spring in Tennessee!

We have so much going on this season in our chapters and state organization. We are installing new chapter officers and gearing up for another great year. Our Winter Council was on February 22. Our Guest Speaker, Linda Hershey introduced us to captioning. Linda has helped caption Alpha Beta's Taster's Luncheon and we know that several of our membership benefit from seeing the spoken words. This would be a great addition to our state, regional and IC meetings!

We are looking forward to gathering in Pigeon Forge at the end of next month for our State Convention. Zeta Nu has been planning a magical event for us. We look forward to LeAnn Wray delivering the IC message and Trudie Myers sharing the SERC message. We are especially looking forward to installing Jody Wright as our new president. Jody is a legacy member. She is the daughter of Dee Chilton, Alpha Beta. If you want to join us, contact Denise Freitag at [dfreit1@wgu.edu](mailto:dfreit1@wgu.edu). Registration form is on page 31.

## **Cheryl Pucket Kansas State President**

Kansas members met for their winter board meeting in “Manhappiness” aka Manhattan the weekend of January 18th and 19th. Manhattan is home to Kansas State University, the alma mater of state president, Cheryl Pucket. We stayed at the beautiful Bluemont Hotel which is just steps from campus.

In keeping with Cheryl’s literacy emphasis our speaker, Sara Kearns, informed us about the ongoing renovation to Hale Library on the campus. It was damaged by fire in May of 2018. The first floor reopened last fall and most of the second floor is scheduled to open after Spring Break this year. Members also brought items for Cats’ Cupboard, the food pantry for students. It is estimated that 40% of students struggle with food insecurity. You can’t read and study if you are hungry.

Former IC President, Suzy Winters, and former KSC President, Judy Ahrens, gave a leadership seminar. Suzy told us about the new Pallas Athene program which was very enlightening. Judy informed us as to how her chapter keeps track of points. We had a catered dinner that evening from Friendship House followed by Music Trivia. Pat Josey and Paula Leatherman planned the event as a benefit for the ESA Foundation and Easterseals. Almost \$1000 was raised for each plus members had a great time!!

At our council meeting on Sunday morning we voted to fund two scholarships to the Young Leaders Elite Retreat in October. Recipients of previous scholarships reported favorably on their attendance. Information about our upcoming state convention in Olathe was presented. Highlights include the ESA Olympics, a fundraiser for St Jude, on Friday evening, speaker on reading instruction from the Shawnee Mission School District on Saturday morning, Celebration Luncheon in the afternoon, and Installation Banquet in the evening. The meeting ended in a timely fashion so that members could enjoy the AFC Championship game. I would be remiss if I didn’t say, “How about those Super Bowl Champion CHIEFS!!”

**Madeleine Kurzynski**  
**Ohio State President**

Ohio is thrilled to have 4 new members this year and 1 new Chapter! We are excited to see Ohio grow and are blessed to have such wonderful new members and chapter.

The St. Jude's Dream Homes are in full swing and we have gotten off to a fantastic start! Our first home if the year was in Cleveland and 20,000 tickets were sold out in 55 min! That's right - 20,000 in 55 min! This is unbelievable and Shirley Kormar of Delta Gamma plays a large role in making this happen along with her chapter sisters and friends. Cleveland always does well with the Dream Home, but this was over the top! Congratulations to Cleveland and Delta Gamma!

Cincinnati is close to starting their Dream Home with training on March 4th. Ohio is very excited to announce that we will have 10,000 tickets to sell this year! That's a big first for Ohio. With the chapters in Cincinnati we are all looking forward to selling all 10,000!

Many different projects are in the works and each Ohio Chapter always works on unique projects that help our communities. I am so proud of them and their continued dedication to helping others.

Our State Convention is May 1 -2 and we are so proud to have Robin Bussey from the IC board and Sandy Hongerholt from the MARC to join us. We are looking forward to seeing them!

Blessings to all of you!

**Linda Leverige**  
**Oklahoma State President**

Greetings from OKLAHOMA, we have started the New Year off with a bang. We have had the ground breaking for our St. Jude Dream Home and have had

members across the state participating in Radio-Thons. The year is speeding along. We have several upcoming meetings on the agenda. The first is February 22<sup>nd</sup> at the Oklahoma School for the Blind in Muskogee we will be taking a tour of the school and installing the new Eastern District officers. Our Wester District will be having its meeting and installation of new officers in Guthrie on March 7<sup>th</sup>.

I am one pleased State President. All of the Oklahoma Chapters have done an outstanding job not only in their chapters but on the local and state to help build ESA up. One Chapter, Beta Iota, just had a mom prom. From the pictures I have seen, they were all having a good time sharing in their home town of McAlester.

I am slowly working on my last State Council Meeting on March 22<sup>nd</sup>. I have had a great year but boy!! Has it flown by seems like it was just yesterday I am given my acceptance speech now it is about time to say farewell.

Cannot wait for IC till then bye bye from Oklahoma!!!!

Lou Ann Wyer  
Virginia State President

VSC members have been busy already this year!

Beta Sigma in Richmond held their annual Trivia Night party on January 18<sup>th</sup>. There was a good turn out and we had lots of fun! The proceeds benefit ASK (Childhood Cancer Foundation) in Richmond and Special Love (Camp for Children with Cancer, Survivors and their Families) in Front Royal, VA.

The Hampton Roads St. Jude Dream Home in Norfolk is under construction. The ticket office is up and running. Beta Kappa is helping to cover the administrative duties four days a week. The Sellathon, the kick-off for the sale of tickets, was February 5<sup>th</sup>. The Giveaway date for the house is April 26<sup>th</sup>.

The Richmond St. Jude Dream Home has their kick-off Sellathon on March 18<sup>th</sup>. The Richmond chapters will be manning the ticket office.

The Central Virginia home will be built in Lynchburg, VA this year. They will start construction this spring and our VSC members will be helping at the ticket office there as well.

Beta Kappa continues to visit the Lake Taylor Transitional Care Hospital each month to play Bingo with the residents. Beta Kappa also collected and donated a truck load of food to a local Food Pantry in January. A letter of appreciation was received from the Food Pantry and they indicated our donations came just in time as their shelves were practically bare! It was good to hear how much our small acts of kindness help others!

The Beta Tau chapter celebrated their 50<sup>th</sup> anniversary on February 15<sup>th</sup>. A “high tea” was held at the home of Sandy Reed in Fredericksburg, VA. Their table settings were beautiful and the teas, finger foods, sweet treats and of course, the company, were all delightful!

VSC will hold their spring meeting in Virginia Beach on March 14<sup>th</sup>. It will be great to see everyone and warm weather should be on its way!

Margo Bjork

## California State President

Hello from (sometimes) Sunny California,

Winter will be coming to an end shortly, at least according to Punxsutawney Phil, and spring will be just around the corner. With spring comes the finalization of plans and count down for our CSC Convention, “Lookin’ Good in 2020” which will be held in my town of Bakersfield on May 1<sup>st</sup> and 2<sup>nd</sup>. Until then, our chapters will be busy with all of their activities that make a difference in the projects they support, including right here in Bakersfield, as we have already

begun the next St. Jude Dream Home Campaign, our 17<sup>th</sup> Dream Home benefiting St. Jude Children's Research Hospital.

Until next time,

Believe!

Good Friends, Good Works, Good Times – ESA

Sincerely Yours

**I have to apologize as I can’t remember who submitted this fundraising idea. It could be adapted to Basketball, Baseball, Hockey.....**

#### *Notice to Nominees*

If more than 5 candidates run for an office, a weighted point system is used to qualify nominees for that IC office. No points will be given unless directions are followed; therefore, it is important that you *carefully read and follow* instructions for completion of the nomination form. All the information requested must be given. All eligibility requirements must be fulfilled, and all attachments must be included with the official nomination form. No changes will be accepted after the nomination form has been mailed to the committee members. If necessary, candidates will be asked to move to another position on the ballot.

## Instructions for Completion of the Nomination Form

1. Please type or print the form legibly.

3. If an office has several responsibilities, list only the elected office.

4. If you were appointed to complete an office for an unexpired term you may list this office if the term of office is for three (3) months or more.
5. Committee appointments should be for the required term of office of three months or more. Do not list special appointments for special events. Appointments must be made by the President of the referenced council.
