ESA - SERC - Newsletter

FROM THE PRESIDENT - MARY SMITH

This is my last SERCH article as SERC President. Two years have gone by really fast and I am so thankful for the opportunity given to me by my SERC Sister and Brothers. It will be a time that will live in my heart forever.

Now, it is time to celebrate all of our accomplishments during the past two years in SERC. Along with the Tennessee State Council, the Executive Board is moving ahead with plans for the 2021 Conference in Nashville. I understand the reservations you may have about traveling to Nashville in October. I share those feelings as well. The board, hotel, and the TN Conference Committee is keeping a close watch on the news about Covid. We will be adhering to as many safety precautions as possible, including the wearing of mask at all times, except when eating/drinking, social distancing, and keeping surfaces clean. We will be following any Tennessee mandates if issued.

Please get your registrations in to Jo Donahue and make your hotel reservations as soon as possible. This will help us in making safe plans and making sure we meet our hotel contract numbers. We are planning a fun weekend. Just a little tease: bring your square dancing shoes!

Don't forget to be prepared to share several of the "Endless Ring of Service" projects that were done by your State Councils, chapters, and members. It will be so much fun to hear about all the good works and assistance given to those in need. You should all be very proud of your hard work and all your time given in order to help others.

I look forward to seeing everyone in Nashville October 29-31. Keep an eye on your email and the SERC Website for any pertinent information regarding the Conference. For those arriving on Thursday, there will be a dinner outing on Thursday evening.

ESA Love & Hugs,
Mary

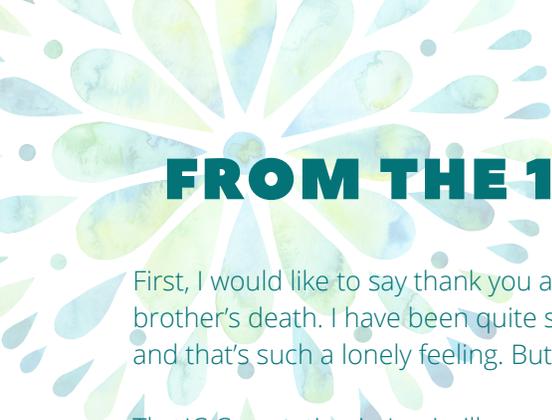

SERC CONFERENCE 2021

ARE YOU THE NEXT STAR TO FIND YOUR FAME IN THE MUSIC CITY? YOU WON'T KNOW UNTIL YOU VISIT NASHVILLE, TN.

WHY: SERC CONFERENCE 2021
WHERE: THE INN AT OPRYLAND HOTEL, A GAYLORD/MARRIOTT FACILITY
WHEN: OCTOBER 29-30, 2021

PLEASE JOIN IN THE SERC FUN AND BE A "MUSIC CITY STAR". CAN'T WAIT TO SEE YOU IN OCTOBER.

FROM THE 1ST VICE PRESIDENT

First, I would like to say thank you all so much for the hugs, tissues, sympathy cards, notes and calls regarding my brother's death. I have been quite stunned and numbed as I'm now the only one left from my immediate family, and that's such a lonely feeling. But I thank God daily for my ESA family. You all absolutely mean the world to me.

The IC Convention in Louisville was awesome! It was great seeing old friends, meeting new friends, and the convention was such a success! Honestly, only about 100 participants were expected and nearly 350 attended! Everything was just wonderful there!

Which brings me to our next big event, the SERC Conference in Nashville! Dates are October 29-30, 2021 and our hotel, The Inn at Opryland, is in a complex with shopping, shuttle service to all sorts of places, and just lots of great places to go with fun stuff to do all over Nashville! I'm definitely looking forward to be back in my home state of Tennessee! I can't wait to get that round of Rocky Top going again!

Being your 1st Vice President-President elect has been a great experience. I have been working on getting committee chairs and members and developing a plan for our SERC 2021-2022 year that will be fun and gratifying. This is such a special conference for me personally as I look forward to the honor and privilege of being installed as your President for 2021-2022. And I know I have some huge shoes to fill! I will do everything I can to make you proud to have me up there! If there is anything you want me to address, please know that you all have direct access to me, anytime. My email is tsayre@cox.net and my cell phone is 504-231-6145. Call or text. I will get back to you asap!

Now, y'all be sure to get your registration in as soon as possible! You can go to the SERC website, www.esa-serc.com and click on the SERC Conference and you will see a place to click for a registration form. You do not need a password for this section. You will also find information on the SERC Finance Project which looks really interesting!

I hope there are lots of SERC members and guests who will come and have fun in Nashville, see lots of old friends and meet so many new friends! My theme will be "Imagination...Uncorked!" I am hoping to encourage members to be more creative in how we will move forward in SERC.

If anyone is interested in being on a SERC committee, I still have opportunities in several areas such as Hope for Heroes, Finance Committee, and a new committee I am forming, which right now is still waiting to be named but will involve helping with donating supplies with housing for human trafficking victims in all our SERC states.

So please contact me as soon as possible if you are interested in serving on a committee.

So, let's go to Nashville!!! Hope to see you all there!

ESA love & hugs to all!

FROM THE 2ND VICE PRESIDENT

Hello everyone! I hope you are enjoying this summer – I am. For those of you who did not get to attend the IC Convention in Louisville this year really missed a great convention. It was so good to see many members (and give them hugs) and meet some new members. Vicky Jones & Mary Smith along with the Kentucky, North & South Carolina members did a great job in welcoming all of us. They made sure that we were comfortable and Covid protected. Make plans to attend the IC Convention in Indianapolis, Ind on July 23-41, 2022 where our own Robin Bussey will preside at the 75th Annual convention and also our own Denise Holdaway will be installed as our 2022-23 IC President!

Now, on the more immediate events. Our SERC Conference will be held at “The Inn at Opryland” on October 29-30, 2021 in Nashville, TN. Barbara Dubois is the chair of this conference. Registration is \$125 until 10/8/21 and \$140 after 10/8/21. The room rates are \$165 per night plus tax for a single, double, triple, or quad. Rates are good from 10/27/21 - 10/30/21. There is FREE PARKING! In addition, there is a complimentary shuttle to Gaylord Opryland Resort, Opry Mills Mall and the Grand Ole Opry. Nashville is called the “Music City” and is a quirky kind of city—a little bit of country and a little bit of Rock & Roll. The hotel will help you with tours you might want to take. Their phone # is 615-889-0800. A registration form is included for your convenience. So y’all come! Who knows you may see a country star or two!

Then, in 2022, we will be going to Orlando, Florida for our SERC Conference that will be held Nov 4 – 6th, 2022. The Florida members are working with hotels as you read this, so stay tuned and we will let you know as soon as we can.

See you in Nashville.
Theda Hall
SERC 2nd VP

FROM THE FINANCE CHAIR

The SERC Finance Co-chairs are anxiously waiting to hear from you and hope you will support the SERC by purchasing tickets for several drawings this year. We have 3 prize items to offer and will be selling 50/50 tickets at the Conference in 2021. The prizes consist of 2 handmade wreaths, one, a Christmas wreath and the other, a Fourth of July wreath. The third item is a handmade St. Jude quilt. Pictures and descriptions of these items will follow. There is a form for purchasing tickets included following the pictures of the available items. Remember we are not asking you to provide cards from your state this year so please buy lots of tickets. If you cannot attend the Conference, you do not have to be present to win. We would like to have some purchases come in early but you can still buy tickets at the SERC Conference in Nashville. Thank you to those of you who have already purchased tickets for our items. We look forward to hearing from many more of you soon.

See you in Nashville.

Susan Caldwell & Marie LaDuke

FROM THE RECORDING SECRETARY

Greetings to all my SERC sister from hot and sunny Florida. I would to first congratulate Robin Bussey as our new IC President 21-22, as well as Denise Holdaway, First Vice President; Tammy Gregg, Corresponding Secretary; Lynda Edwards, Treasurer. SERC is well represented on the IC Executive Board.

A BIG THANK YOU TO Mary Smith and Vicky Jones for a great convention. A great time was had in the beautiful city of Louisville, Ky. It was great seeing many ESA sister face to face after a tough couple of years. It was an honor to represent SERC and Mary's "Endless Ring of Service in South Carolina this past June.

What a welcoming I received from a fun loving group. Thank you South Carolina. It was lovely hearing all the ways SC and other chapters around the country had met the challenges as we traveled through the COVID pandemic. It became so vital to all of us to be of service to those in need and serve each other with love and communication to show how important they were to us. Nashville, Here We Come!!!! I hope to see you all in Nashville on October 29-30 at the Inn at Opryland. SERC is always a fun time to renew "old" friendships and make new ones. SEE YOU THERE!

FROM THE TREASURER

Happy September SERC!

It was good to see so many of you in person at IC in Louisville. What a wonderful week spent fellowshiping with old friends, making new ones, celebrating the work of ESA and making plans for the future. As vacations come to an end and the new school year begins, I know we are all anxious to see what the Covid numbers do in our communities and how it may impact our daily lives. I encourage you to stay focused on the goals we set for ourselves, remember what we learned through the past 18 months and stay committed to growing our membership and doing the great work of this great organization.

Thank you so much to all our SERC states for paying their 2020-2021 dues. Our chapters have done an outstanding job in supporting SERC through their voluntary donations. We appreciate your generosity! If your chapter has not donated and would like to do so, there is still time! The donation form is on the SERC website. Much has changed in our lives since the start of Covid and that includes our spending habits. Here are just 7 ways our spending has changed over the last 18 months:

- Out of work? These individuals are relying on their savings to sustain their household, and many have used up their "rainy day fund"
- Many of us have less to spend these days, so we have cut expenses. We are spending less on travel, eating out and concerts/movies.
- We are putting life on hold. Those who planned to move to a new city, go back to school or make those large purchases are putting their dreams on hold and waiting on financial security.
- Paying off debt – many Americans are using this opportunity to take stimulus payments and pay off debt, if their monthly budget allows.
- After being home for so long, many of us realized we need more space, or it is time to downsize and have bought a new home. As a Realtor, I can tell you that business is crazy, and inventory is low!
- With a slower pace of life and more time at home, many are spending more time on Pinterest, Amazon, Tik Tok and other social media and find themselves doing more online shopping and impulse buying than they have done in the past.
- Donating more than ever – this one probably surprised me the most. Research shows that while donations have shifted from big events to community aid and local organizations that are making a very visible impact to individuals around us, Americans are donating more than ever and using their stimulus check for those "feel good" gifts, if their budgets allow.

Only time will tell if these spending habits will continue as we learn to live with Covid and attempt to regain a more normal lifestyle. I hope you have a great fall and I look forward to seeing you all in Nashville. Stay safe my friends!

MEMBERSHIP CHAIR - LAUREN RYAN

I know it is hard to think about membership when we are trying to decide if it is safe to go to the grocery store. During our time of isolation it became clear to many people that they are missing something important in their lives and ESA can fill that missing piece. While we may be continuing to live in a state of uncertainty we can extend the gift of friendship and service to the people around us. Need ideas on how to bring new people in? I would love to chat with you about your specific circumstances and help you find some solutions.

Send me an email: laurengeryan@gmail.com

TENNESSEE

Greetings from Tennessee! I still have a smile on my face from IC. What a wonderful time being able to get together and celebrate after such a trying year. Looking forward to hopefully seeing many of you here in Nashville in October.

The Tennessee Council held its convention in April virtually and elected to keep state officers the same as last year. In September we will be combining our Leadership meeting and Fall Council into one meeting IN PERSON! We will be having a workshop, business meeting, tons of social time, and celebrating the sell out of both of our Dream Homes in June!

I wish a happy and healthy fall for everyone and we can't wait to see you in Nashville!

Jennifer Gailey and Jody Wright, Co-Presidents

ARKANSAS

Greeting from Arkansas!!

It's been a hot, but beautiful summer so far here in the Ozarks!

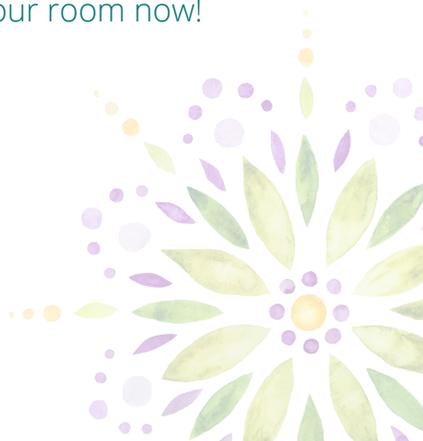

We held our state convention in June, and it was so good to see each other! It was a great convention and a beautiful installation. Most of our chapters have been able to host a few events which makes everyone's heart feel full. I know I have missed the in-person events. Zoom meetings are great, but there's nothing like seeing someone in person! Remember though, if you aren't meeting in person, have those Zoom meetings and stay in touch with your members to keep them engaged. Currently, we are planning our Fall Council meeting and have a great workshop planned for our Leadership meeting.

SERC is coming up quickly and I hope to see you all there! It's sure to be a great time, especially being in Nashville! Get your registration forms in and reserve your room now!

Can't wait to see you all!!

Sandy Fletcher

AR ESA State Council President

SOUTH CAROLINA

Hello from Sunny South Carolina, We were hoping things would be getting back to pre covid times but as the school year starts we are taking a step back. We are trying to have an event " Scaring Cancer Away" a hour or so of Spooky local stories from our local Goose Creek historian Mike Hiezler. We thought October would be a great event but we are having problems with reserving a room, the same problem for Fall Council. We are trying a few other ideas for locations but we may have it in Sondra Kucklick's home with a zoom type meet. At this time, we are doing a virtual pop corn sale for Hope for Heros and doing well with that. Also in keeping with IC President, Robin's focus we are encouraging everyone to do something for animals. as an example, Sondra Kucklick cleaned out her linen closet and donated towels, sheets, etc to Berkeley County Animal Shelter. In another report, our sister, Barbara Scott, is volunteering at the Veterans Hospital in Charleston. Looking forward to reporting some positive news next time. Reported by, Terry Holifield, SC State President.

VIRGINIA

Greeting from Virginia,

Virginia is gearing up for a new year in ESA, the executive board recently had a wonderful weekend retreat to discuss the future of our state council with everyone extremely committed to making some changes to increase member and activities within the state.

Chapters are starting to get active again in their communities. Easter Seals will benefit from a BBQ with the Zeta Nu Chapter in Hardy, VA.

Virginia's state council will start our year off with a Leadership conference and fall council meeting on October 1-3 at the beautiful Smith Mountain Lake's 4H conference Center. We will also be visiting the historic World War II Day Memorial in Bedford, VA.

Once again, this horrible pandemic is increasing in Virginia. Please, please, get vaccinated and wear a mask while in crowds. I will ever exposed to an individual who was unvaccinated and positive for COVID, who did not follow guidelines and potentially could have infected many of us. Gratefully those of us vaccinated tested negative. Many of us will be at the SERC conference in Nashville, TN. See you soon!
