Ms. D. Shipman, General Manager  
Forest Meadows Homeowners Association  
P.O. Box 1096  
Murphys CA 95247

Dear Ms. Shipman:

Please thank Keith Pierce for me for taking Fire Chief Johnson and me around the subdivision a couple of weeks ago. At that time, Keith showed us what he is doing regarding a fire break around Forest Meadows, and what he will continue to do. He also showed us what he is doing to maintain the HOA property and walking trails within the subdivision. Both Chief Johnson and I agree that Keith's plans are good. The property owners that border the walking trails might want to do a little more with their vegetation (in most cases). Much of the vegetation on their properties are over-grown and this is not the responsibility of your HOA.

Thank you for your continued vigilance on the fire safety for your HOA. You have a good maintenance crew led by Keith. Keep up the good work!

Sincerely,
