

**FMOA Parks, Pools & Events Committee's Garage Sale September 5, 2020**  
**Information and Registration Application (Rev. 7/24/2020)**

Our FMOA garage sale is coming up this Labor Day weekend, so get busy gathering items you would like to sell. As in past years, **sellers are allowed to operate booths from their own properties and this program has proven to be successful and enjoyable for everyone.** Since this is a once every other year event with a 6 hour window, it is hoped residents will not be inconvenienced in any way and will be understanding and cooperative to make the sale worthwhile for all concerned. It is anticipated buyers will not all be visiting the same house at the same time. **Since no individual garage sales are allowed within our Forest Meadows community, this is a great opportunity to take advantage of this one-day event.** If you do not have enough items for your own sale, why not pair up with a neighbor or friend?

In view of the Coronavirus, it is mandatory for sellers to provide some type of sanitizer available at their space for visitors, and sellers and visitors alike must wear a mask and keep a distance of 6' apart. Advertisements for the event will state visitors must wear a mask.

Following are specific regulations set forth by the Board of Directors to which participants and buyers must adhere:

1. **Pre-registration is mandatory.** An application and registration fee of \$15.00 (**due by August 28**) will apply in order to cover media advertising and incremental expenses such as printing of flyer/maps.
2. **No ad hoc sellers, please!** It is absolutely essential FMOA has knowledge of all seller locations. Violators could potentially ruin our chances for repeating this venue again in the future.
3. Hours of operation: 8:00 a.m. to 2:00 p.m. Past experience has told us sales dwindle after noontime. Some sellers may choose to close up later than 2:00 p.m., and they may certainly do so.
4. This year a list of sellers' addresses with a map on the reverse side will be distributed at the gate to buyers. The flyer also will include the location of public restroom facilities (Meadowview Park and Hilltop Park at tennis courts).
5. A minimum of 25 resident properties must register to organize this event.
