**NEWSLETTER**  
**JAN 2024**

"Now faith is the substance of things hoped for, the evidence of things not seen."

*Greetings to my beautiful brothers and sisters in the Lord!*

Together with **your prayers** and your financial blessings we truly took a quantum leap of faith in 2023. Now faith is truly believing God and His word, and that when God speaks, to step out and trust Him and do whatever He says to do. **With God all things are possible!** I mean ALL things are possible. All you have to do is trust God and step out and do whatever God says to do. Our God is a miracle working God. We at Channel of Love Ministries believed God for a great and fruitful 2023. By faith we stepped out and saw over 1400 people come to Jesus.

We had **five Schools of the Supernatural in different parts of the United States.** We had one **tent revival in the Tacoma, WA** area where pastors came together in unity and harmony and it was a great success.

The wonderful thing about stepping out in faith is that when you step out you don't have the money to do anything, you don't have the workers to do any of the labor, you just KNOW that if God said it, it is all going to work out. And when you put faith into action it DOES all come out perfect.

We also did, by faith, a **mission trip to Trinidad**, where we visited four public schools, one orphanage, a street crusade, two church crusades and several churches.

**2023 was an awesome, beautiful, fruitful year of walking in faith.**

2024 may be a difficult year, but I KNOW in my spirit that NOTHING, ABSOLUTELY NOTHING CAN STOP US.

God is speaking to us about doing five tent revivals, five Schools of the Supernatural, several outreaches and several churches. Now, do we have the money? Do we have the workers? Do we have it all figured out? Absolutely not. I do not have anything, but I am 100% confident in our God. Heb 11:6 **"But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him."** We at Channel of Love want to be God pleasers.

We want you to pray and believe with us. Partner with us for a great harvest in 2024. Believe with us for 10,000 souls to come into the kingdom and for notable miracles.
