

Tent of Hope 2025 ~ Olympia, WA

Greetings in the Precious Glorious Name of Jesus!

We want to thank you for all your prayers for the tent revival we just completed in Olympia, WA. It was a great success.

We will never know exactly how many people accepted Jesus as their Lord and Savior. There were so many people out witnessing and canvassing in the weeks before the revival that the host pastor, Pastor Brian, said he figured about 500 souls came to the Lord, including the ones during the meetings.

Our missionary team came from all four corners of the United States: New York, Florida, California and Washington, as well as Idaho and Nevada. What was so wonderful is Pastor Brian had just rebuilt the retreat center, after a fire burned the original to the ground, so the team were the first guests in a brand new, beautiful facility. They treated us with such great hospitality and generosity. One of the many miracles is that the permits to use the building were cleared just two days before we arrived!

Marty said it was the greatest group that ever put the tent up and brought it down. Everyone worked in such unity and there were plenty of men to do all the work. They treated Marty and me so graciously, no matter what we asked them to do they just said yes and did it. Also, all your prayers for Marty were answered. He had the strength of a young man as the tent was being put up. I have never seen him have so much strength and so much energy putting the tent up. He is still doing so much better. So, please continue to pray for the completion of his healing. **When I talked to Marty after the tent was up, I said, "I have never seen you have so much strength putting up the tent." He said, "I always pray to God and ask for supernatural strength to put the tent up. And God always answers my prayers."**

Tent of Hope 2025 ~ Olympia, WA

The greatest thing is that each night the tent was full and the excitement and expectation were awesome. The altar was filled from one end of the tent to the other with people being prayed for and receiving the infilling of the Holy Spirit. There were many healings and miracles. On Saturday several homeless people were blessed with food and clothing. All in all, it was a great, great success and God gets all the glory.

It just goes to show that when there is unity, and there was great unity between all the churches and the different ministries that came together, awesome things can be accomplished.

"Behold, how good and pleasant it is for brethren to dwell together in unity!" Psalm 133: 1.

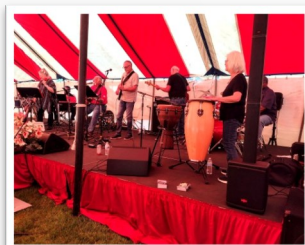

Because of the unity there were several people that came to me and said they saw the glory cloud of God throughout the tent and when we videoed all the testimonies the footage looks cloudy.

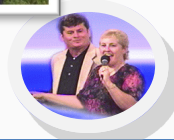

Everything else we taped was clear. It was the presence of God; it was so strong. Every now and then these things happen. God is SO glorious.

The Lord wants us to fulfill Luke 4:18-19, "The Spirit of the LORD is upon Me, because He has anointed Me to preach the gospel to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives and recovery of sight to the blind, to set at liberty those who are oppressed; to proclaim the acceptable year of the Lord."

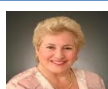

By doing this tent revival, we fulfilled this entire scripture. The great thing, and this is an answer to prayer, is that the pastors in Olympia want to do a tent revival next year at the same time.

Tent of Hope 2025 ~ Olympia, WA

God woke me up in the middle of the night with a very vivid prayer vision and an urgent message that I want to share with you. Soon, things are going to get really bad and we better be prepared. There is going to be a great, great outpouring of the Holy Spirit in the midst of trying times. That is why we can't be a part of the world. We must separate ourselves and prepare our hearts now.

Jesus prayed, "I do not pray that You should take them out of the world, but that you should keep them from the evil one. They are not of the world, just as I am not of the world." John 17:15,16

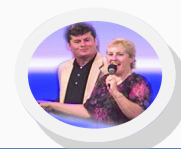

God spoke to Channel of Love Ministries to go to Washington state and other cities throughout the United States, because they are hard ground and he wants us to plow the ground and prepare it for revival. Washington state is filled with witches and new age, and we are changing the atmosphere of the entire state. God has told us not to have a spirit of fear.

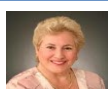

"For God has not given us a spirit of fear, but of power and of love and of a sound mind." 2 Timothy 1:7.

So, I am asking you to help us plow up the ground throughout the United States. There are hurting people everywhere that need Jesus desperately. There is a time coming when you will not be able to preach the gospel freely like we can today. While doors are open for Channel of Ministries, we are asking you to partner with us with much prayer and finances to help us fulfill God's destiny.

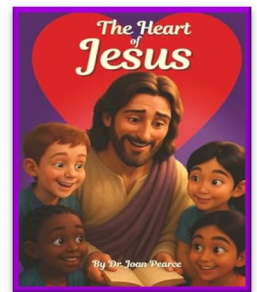

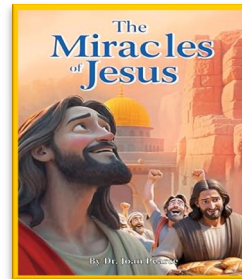

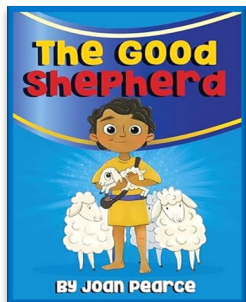

Because of unexpected expenses for this tent revival, we just broke even. Please pray that people will remember Channel of Love Ministries and have a generous heart.

As you have read this letter, you can sense the urgency, and see that we need your help to partner with us for the end-time harvest.

Jesus said: "...behold I say to you lift up your eyes and look at the fields for they are already ripe for harvest." John 4:35b

Thank you so much. We love you. Together we are making an impact.
