

Now Is The Time~ What Is Going On???

Greetings in the Precious Glorious Name of Jesus!

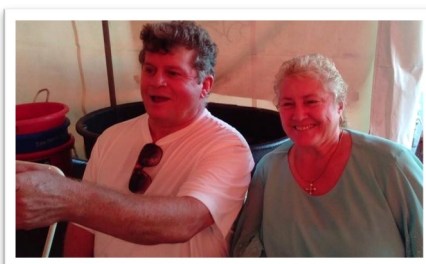

Have you ever asked yourself these questions? I've been prophesied over many times. I'm sure everyone here has had a word from the Lord or a vision from God of something that you see yourself doing. I sure have, but they haven't come to pass yet. So you are asking yourself, **WHAT IS GOING ON???**

We don't understand God's timing. Sometimes you can get discouraged when you've had visions and dreams and they haven't happened. That's happened with me, but I am confident of this one thing: if God shows you that you're going to be doing something, **IT WILL HAPPEN**. Faith is the substance of things hoped for, the evidence of things not seen. **You haven't seen them but BELIEVE THEY WILL COME!**

Now I'm getting up there in age, so I'm asking God these questions: When God? How God? And you know, God loves it! Because we have faith and we know God's telling us to do something and we just keep going forward.

So, I want to encourage you: walk in faith, walk in love, have patience. **NOW IS THE TIME**. I do believe this with all my heart: we're in a season that Jesus is coming very soon. I've been evangelizing for over 45 years. I've never seen the harvest so easy. It's like picking fruit off of a tree that's over-ripe. The miracles are so great. They're notable miracles: peoples' blind eyes seeing, deaf ears hearing, people coming out of wheel chairs. It's definitely the time to step into whatever God has called you to do.

Remember this: do not despise the day of small things. God knows. Just step out and start doing it. Now is the time to step out and do the work of miracles, signs and wonders, and see a great harvest of souls. The harvest is so ripe, let me share with you a small way to start.

It's beautiful when husbands and wives work together in unity to do the work of the Lord. So here is a thought. Pray together and ask God to lead you to wherever He wants you to evangelize. If you are not married, find a friend, so we go out as teams of two.

Now Is The Time~ What Is Going On???

Marty and I prayed and God had us go to a nursing home a couple of weeks before Christmas. There was somebody selling flowers on the side of the road and Marty stopped and picked up six sets of flowers. As we went into the nursing home we had the Lord lead us from room to room. And that day, we got to lead seven people to the Lord. I believe, because we started out with small things, God led us to do outreaches and he also **blessed us with a tent.**

Do not despise the day of small beginnings. Pray and step out and do what God is telling you to do. Marty and I stepped out and we have been doing small, large, and different events. So even though the dreams, the visions, and the prophecies over me have not all happened yet, also, so with you, step out and do small things and they will work towards the big vision that God has given you.

God has given me the idea to do more emails like this so that I can give you ideas of how you can step out and begin to do small things.

Let's keep fighting the great fight of faith and keep seeing lives change for Jesus. God bless you. Remember, now is the time to step out and do God's will.
