

JAN 8, 2021

ALP'S SAFETY PLAN:

Complete **Symptom Screening** which is emailed to you 24 hours before your appointment.

Stay home if you have symptoms, have tested + for Covid. Call the clinic to reschedule or switch to virtual, and call 811. If you are a close contact of someone with Covid, please call the clinic.

3-LAYERED Masks (or N95) required for everyone while in all areas of the clinic.

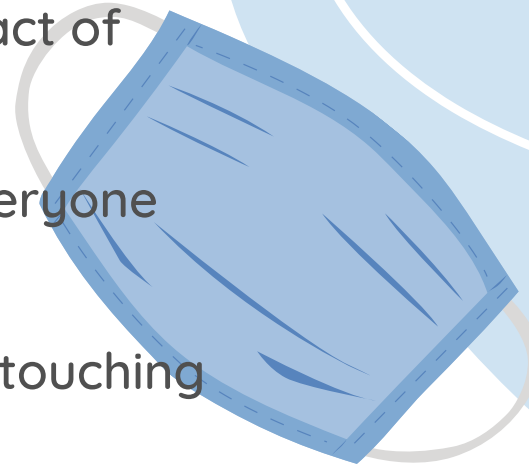

Hand sanitize upon entry, exit, and before touching any equipment.

Waiting room (2 chairs) available, abiding by mask policy and physical distancing (2M).

Enhanced cleaning of all high-touch surfaces continues.

Maintain physical distance (2M) whenever possible at clinic.

Classes require **proof of full vaccination status**. **MASKS MUST BE WORN**. If not vaccinated, can choose virtual option. Some classes are virtual-only.
