

Quality. Time. Expertise.

Join the “go-to” physio clinic in Campbell River and grow with our team!

**Current opening: Locum Kinesiologist June 2022-March 2023
Possibility of transition to permanent position.**

Are you passionate about what you do? Do you love working as part of a team and independently? Do you want a community you love to live and work in? Then we want you!

Active Living Physiotherapy is an owner-operated, innovative clinic with a 'boutique style' approach and an atmosphere of unhurried healthcare. Enjoy the luxury one-on-one care, electronic charting, and liaising with a team consisting of physiotherapists and kinesiologists, and orthopaedic surgeon next door. We offer in-services/case study groups monthly, and contribute to the local community by hosting seminars, and sponsoring many local sports organizations.

We are looking for a community-minded, motivated, and independent person committed to patient-focused, exceptional care. This is a great opportunity to learn from a skilled and experienced multi-disciplinary team. Preference given to those with experience working independently with clients developing exercise programs for injury recovery and chronic conditions. Clients range from private pay injury rehab, general fitness, and third party funding (ICBC and extended health). Opportunities to lead group programs including running, hydrotherapy, small group exercise classes, to present community seminars, and to conduct Telehealth appointments exist. Must be a member of the BC Association of Kinesiologists or equivalent.

Located in Willow Point, Campbell River, the health studio has stunning views of the ocean at the doorstep. Newly renovated, the beautiful facility has natural light, a 500 sq. ft. Gym, and is located in a professional centre in a shopping village with coffee shops, restaurants, and a grocery store. Clients are varied in age and type of injury. Part time hours available to start, may expand to full time depending on caseloads.

Enjoy the Vancouver Island work/life balance! Enjoy: excellent skiing, biking, a large network of trails, live ocean-side and enjoy all water activities, and it's all affordable! Please email your cover letter and resume to sophia@activelivingphysio.com. Only successful applicants will be contacted.

Role Summary

Provide Kinesiology services for clients of Active Living Physiotherapy, both one-on-one and in small groups settings.

Responsibilities

- Design, implement and supervise graded exercise prescription programs, incorporating necessary functional, proprioceptive and motivational adaptations within the scope of practice.
- Develop individual treatment plans and goals for each client.
- Perform reassessment of client progress through functional testing and outcome measures.
- Lead small group classes such as strength training, osteoarthritis class, pool classes, mobility workshops, learn to run programs, fall prevention, etc.
- Complete reports for third party payors.
- Communicate and collaborate regarding client-focused care with medical, legal and insurance professionals.
- Adhere to all Active Living Physiotherapy policies, procedures and protocols and BCAA Guidelines.
- Maintain accurate and complete patient records in a timely manner.
- Participate in clinic meetings, clinical training, and in-services.
- Maintain a strong professional presence in the community.

Requirements *Qualifications, Skills & Experience:*

- Practicing Kinesiologist in good standing with the BC Association of Kinesiologists and adequate malpractice insurance
- Bachelor of Kinesiology
- A minimum 2-years experience as a Practicing Kinesiologist
- Able to deal with issues with professionalism and confidentiality

As a member of the Active Living Physiotherapy team, practitioners must demonstrate the following:

- Delivery of an exceptional client service experience
- Commitment to collaboration with members of the client's health care team
- Stay active in professional development and maintain current expert knowledge
- Embody a philosophy of professionalism, excellence, health and wellness at all times
- Exceptional communication and interpersonal skills
- Effective use of time and resources
- Service and results-oriented

*NOTE: During the COVID pandemic the clinic has strict policies in place, including daily COVID screening for both staff and clients, reduced clinic capacity, frequent cleaning, hand sanitization required, and masks required for anyone entering the facility. The successful candidate will be required to read and sign the clinic COVID Safety Plan.

Locum Dates: June 2022- March 2023

Only successful applicants will be contacted.
