Join the “go-to” physio clinic in Campbell River and grow with our team!

Current opening: Part-time Registered Massage Therapist

Want to work as part of a great team? Have instant referrals from 8 other practitioners? Live and work on the ocean and by the mountains?

Located in the quickly growing Willow Point area of south Campbell River, the Active Living Physio clinic has stunning views of the ocean at the doorstep. Think storm-watching, rainbows, and sparkling sunny days! Newly renovated, our beautiful facility has natural light, a 500 sq. ft. gym, and is located in a professional centre close to coffee shops, restaurants, and a grocery store. Enjoy the Vancouver Island work/life balance! We live here because we love the forests and large network of trails, the lakes, the ocean and the mountains. Live in an affordable city, get rid of your commute to work and you'll have time to enjoy all the activities this location has to offer.

Active Living Physiotherapy is an owner-operated clinic with a 'boutique style' approach and an atmosphere of unhurried healthcare. Enjoy electronic charting, and full front desk support. We manage all reception, appointments, invoicing and billing for you. Collaborate with a team consisting of physiotherapists and kinesiologists, and an orthopaedic surgeon next door. We have strong relationships with the physicians in town, and sponsor several community sports teams. Our "Knowledge Broker" leads monthly in-services/case study groups, and we hold regular team huddles and various other fun group activities led by our "Captain Fun"!

We are looking for a community-minded, motivated, and independent massage therapist committed to patient-focused, exceptional care. We believe in mentorship! This is a great opportunity to learn both clinical and caseload management skills from skilled and experienced physiotherapists and kinesiologists. Career advancement options available as a clinician or as a leader in the business.

If you value work/life balance, want to deliver exceptional care to your clients and want to grow professionally as an individual and as part of our team, we want to hear from you!
