

**Quality. Time. Expertise.**

**Join the "go-to" physio clinic in Campbell River and grow with our team!**

**Current opening: Full or Part-time Physiotherapist**

*Located on beautiful Vancouver Island, the clinic now has two locations- one with an ocean view, one with a forest view! Our original ocean-front clinic has natural light, a 500 sq. ft. gym, and private treatment rooms. Our new location is an innovative "urgent care" clinic- providing timely assessments of MSK injuries. We are doing our part to off-load the ER's and preventing conditions from becoming chronic and requiring addictive pain medications.*

*Enjoy the Vancouver Island work/life balance! We live here because we love the forests, the trails out our back door, the lakes, the ocean and the mountains. Think biking, skiing, paddling, hiking... we believe in active living! Live in an affordable city, get rid of your commute to work and you'll have time to enjoy all the activities this location has to offer.*

*Check us out!: [https://www.activelivingphysio.com/join\\_our\\_team](https://www.activelivingphysio.com/join_our_team)*

*Active Living Physiotherapy is an owner-operated clinic with a 'boutique style' approach and an atmosphere of unhurried healthcare. Enjoy the luxury of 30- or 60- minute appointments one-on-one care, electronic charting, and full front desk support. Few modalities and no RA's. We manage all reception, appointments, invoicing and billing for you. Collaborate with a team consisting of Physiotherapists and Kinesiologists, and Orthopaedic Surgeons. We have strong relationships with the physicians in town, and sponsor several community sports teams. Our Knowledge Broker leads monthly in-services/case study groups, and we hold regular team huddles and various other fun group activities led by our "Captain Fun"! Plus you'll earn from \$90-\$110 K per year (full time equivalent). AND We've been voted "Best Physiotherapy Clinic" and "Best Place to Work"!*

*We are looking for a community-minded, motivated, and independent person committed to patient-focused, exceptional care. The position would involve work at both locations. We believe in mentorship! As such we have developed a unique physiotherapy mentorship program. This is a great opportunity to learn both clinical and caseload management skills from skilled and experienced*

*Physiotherapists. <https://files.secure.website/wscfus/10494108/31547701/alp-mentorship>*

- Must be Registered member (in good standing) with the College of Physiotherapists of BC
- Preference given to those with manual therapy training, IMS, acupuncture, concussion, vestibular rehab, pelvic health, neuro or other specialty but everyone (including new grads!) welcome to apply.
- Ask about assistance in finding housing if needed- we have connections!

[-program-1.pdf](#) Career advancement options available as a clinician or as a leader in the business.

*If you value work/life balance, want to deliver exceptional care to your clients and want to grow professionally as an individual and as part of our team, we want to hear from you!*
