

Treasurer's Report 2022-23

The Garden Club of Princeton

May 16, 2023

Treasurer: Gillian Shoch Reeder

This past year we collected 100 percent of our membership dues! Thank you to everyone for your support and help with that. While current dues notices have not yet been issued, we are hopeful of a repeat performance on that 100 percent participation! The notices will be sent this week so please keep an eye out for those. And for your convenience, we will be accepting payments online again as well.

In terms of this year's budget, we forecast well and will finish the year on budget.

Respectfully Submitted,

Gillian Shoch Reeder
Treasurer
