Boarding Agreement

This is a contract between Creature Comforts Pet Retreat (Kennel) and the responsible party (Owner) whose signature is below:

- 1.) Payment** Owner agrees to pay, at the time of pickup of pet, the rate for boarding starting the date that pet is checked into Kennel, and agrees to pay for any special services requested, and all veterinary costs for the pet during the time pet is in Kennel.
- 2.) Pick Up** Owner understands that pet may be picked up anytime during the Kennel's open hours, and boarding charges begin at day of check in, regardless of time of day. **Check out time is 12:00pm**, and pets picked up **after 12:00pm** will incur that day's charge. After hours pickup is not available. If the pet is not picked up by closing time, the pet will be kept an additional night and available to pick up the next open business day.
- 3.) Failure to Pick Up** Owner acknowledges that pet may not leave Kennel until all expenses due are paid by Owner. If pet has not been picked up within five (5) days of the upon pick up date, Kennel shall have a lien on the pet for any, and all, unpaid charges resulting from boarding pet at Kennel. Kennel will give ten (10) days written notice to owner by certified mail to address shown on contact. If Owner still fails to pick up pet and boarding charges paid in full, Kennel may then dispose of or attempt to sell pet for any, and all, unpaid charges in the sole discretion of Kennel, and owner waives their rights to the contrary. Owner shall be liable for any unpaid balance remaining.
- 4.) Group Playtimes** Kennel will exercise responsible and reasonable care for the Owner's boarding pet. If group playtimes are requested, Owner gives Kennel permission for pet to comingle with other dogs. The Owner agrees to solely responsible for all acts and behavior of pet while it is in the care of Kennel. Kennel will provide trained personnel and constant supervision during activities owner has requested for their pet, and owner will take responsibility for any injuries that may occur during aforementioned activities.
- 5.) Vaccinations** Owner verifies that pet has *not* been exposed to rabies or distemper viruses within a thirty-day period prior to boarding. Owner understands that pets that are not current on Rabies, Distemper, and Bordetella vaccinations will not be accepted into the facility.
- 6.) Crate** Owner understands that boarding pet may be crated at Kennel's discretion.
- 7.) Calming Pharmaceuticals** Kennel *may not* administer tranquilizers, sedatives, or any other pharmaceutical drug designed for calming to pet unless (1) the drug is administered under the direction of pet's veterinarian, (2) with written prescription from veterinarian, and (3) written permission from the pet's owner. Owner agrees to allow Kennel to administer products not labeled for use on pet animals (i.e. owner-provided over the counter medications not designed for animal use)
- 8.) Veterinary Attention** If pet becomes ill or if state of pet's health requires professional veterinary attention, Kennel, in its sole discretion, may engage the services of a veterinarian or administer medication, special diet, or other requisite attention to pet and expenses will be paid by Owner. If pet dies while boarding at Kennel, Kennel will make immediate attempt to contact Owner via emergency contact. The body will be stored at Kennel, or Owner's veterinarian, as per Owner's instructions.
- 9.) Checks** All checks returned for insufficient funds or otherwise will be subject for a \$25.00 charge.
- 10.) Controversy or Breach of Contract** Any controversy or claim arising out of or relating to this contract, or the breach thereof, or as the result of involving the alleged negligence by any party to this contract, shall be settled by arbitration in accordance with the rules of the American Arbitration Association, and judgement upon the award rendered by an arbitrator may be entered in any Court having jurisdiction thereof.
