

# Global Village Ministries Maasai Girls Education Fund

**Sponsorship makes all the difference in the world  
for the girls at  
THE OLMALAIKA HOME**

We have two options:

1. Full sponsorship \$100 per month.
2. Partial sponsorship \$25 per month

Your sponsorship for a girl covers education and a safe home. If you opt to be a “Home Sponsor” the funds cover staff salaries and the monthly budget.

*Regardless of which sponsorship you give for - it enable lives to be changed, which in will transform entire communities.*

**Opportunities to visits the home** – Global Village Ministries provides opportunities for all ages to join them in February, July and October each year on Service Trips to Kenya. The teams visit the girls at the end of each trip. They also offer the option of you being able to come on your own and volunteer at the home or within the community. Kim opens her home to all, and everything is provided – meals, bedding etc. Contact her for options and details ([theolmalaika@gmail.com](mailto:theolmalaika@gmail.com))

**As a sponsor you can communicate with the girls – via the following options:**

- Mail your letters to: Global Village Ministries  
8712 N. Ridge Ave, Berrien Springs MI 49103
- Mail your letters to: The Olmalaika Home

*No packages or financial gifts/donations should be sent directly to Kenya*

*The girls will write you as often as possible and we as the administration and staff will do our best to keep you personally updated with letters, pictures, emails and newsletters.*

### **Suggested items for care packages would be:**

- A personal letter - keep it simple. The key is to encourage them to do their best.
- Printing is better than cursive.
- Pictures of yourselves, family, pets etc.
- Stickers, socks, bookmarks, games, sample perfumes, lotion, Bible, erasers, pens are all things they love.
- Do not include contact info: surname, email, mailing address or phone number

*Please keep in mind that the girls are from very remote. We want to keep them within their own culture as much as possible, so we ask that the following items **not** be sent/given to them –*

- Items - including clothing & books that represent movies, Disney, glitz /glamor.
- Jewelry, make-up, nail polish, lipstick, brush, comb, barrettes, and dolls.
- No money and remember to not include your address, phone number, email, nor surname.

**Please know that you are NOT obligated to send anything! Just the fact that you are helping to provide for their education is more than enough! If you opt to sponsor the home, you are more than welcome to send letters or items as well to the girls and/or staff.**
