#### Greetings,

I would like to thank all of those who were able to attend the 25th Annual Texas Community Service Association Conference that was held at Holiday Inn Express Waco South October 24<sup>th</sup> -27<sup>th</sup>. For you that were unable to be there, you missed a great conference and we missed you. McLennan County CSCD did a wonderful job at hosting this conference along with the great support of TCSA Board. The board and I were pleased with the outcome of this conference. Our speakers shared their knowledge and expertise as well as allowing us time to collaborate and socialize with others around the State. It was great to see some new faces attending for the first time. TCSA donated clothes, toiletries, and other goods that were brought by our TCSA members and a cash donation was made for \$500 to **Family Abuse Center**.

This year at the Waco Conference, we had three board members term end, Joby McDaniel, Senae Williams, Santos Aguilar, all three requested to run for an additional term, and were successfully elected to do that. Senae Williams will remain our Treasurer, and the other two will remain board members to TCSA. We have also elected Karla Bautista (for another year term), Elizabeth Servantez, and Sean Graham to our Advisory Council.

During the General Membership Meeting, the TCSA membership voted to hold the 2022, 26th Annual TCSA Conference in Victoria with your board secretary Senae Williams hosting the upcoming conference. We look forward to the opportunity to serve this association with another great year of educational material and an opportunity to interact with other officers in your field of work. We encourage each of you to reach out to your neighboring counties and invite them to join us in 2022.

# Victoria County and City Employees Unite to Clean Area Neighborhood

**City employees, Victoria County Juvenile Services, C-3 Victory, and other community members pose for a group photo Nov. 13 before the Parkway neighborhood cleanup hosted by Keep Victoria Beautiful. About 130 volunteers helped residents to move brush and bulky trash to the curb at 79 locations in the neighborhood. The City of Victoria Environmental Services provided additional pickups in the neighborhood leading up to the event; in total, more than 18 tons of brush and bulky trash were collected at 102 homes, encompassing more than 50% of the neighborhood. The Victoria Fire Department provided no-cost smoke alarm installations, and representatives of other departments provided information about their agency at no cost. ## El Paso JPD Gives Back

The Thanksgiving Holiday is a great time to reflect on the things we are grateful for. Here at the El Paso County's Juvenile Probation Department we are continuously grateful for the opportunity to serve an amazing community.

To show our gratitude JPD's Drug Court and Project HOPE teams gather donations and provide complete Thanksgiving meals to our community families. This year marks our seventeenth anniversary of providing thanksgiving dinners for our families we serve. It is only through our amazing community stakeholders, that this is possible year after year. This Thanksgiving the team was able to provide baskets to 70 JPD families!
