Keith & Brenda Price

Dear Partners,

Brenda and I enjoyed an amazing furlough in the States in June and July. It was a fantastic opportunity to reconnect with our children, grandchildren, and extended family from the Midwest to the West Coast. We also had the privilege of sharing ministry updates with 15 different churches, and we are incredibly grateful for all your prayers, support, and encouragement during our travels. Now we're back in Romania and have adjusted back to normal (whatever "normal" means, LOL).

As we returned to Romania, I was struck by the societal differences. In Romania, there are no school shootings; children can walk to the corner store and play outside without fear of harm or kidnapping, while America seems plagued with more anxiety, violence, and declining morality. I believe the root of this problem lies in our American society's absence of the word of God. When I was a young boy (60 years ago), prayer was allowed in schools, the Ten Commandments adorned walls, families displayed the family Bible in their homes, and Gideon Bibles were in every hotel room. etc. I believe it's crucial to reintroduce the physical Bible to families and individuals. We need to get back to basics and bring the Word of God to the people while we still can. **Romans 10:17** *"So then faith cometh by hearing, and hearing by the word of God."*

This week, I ordered 100 Romanian Bibles in the country. They're the Fidela version, equivalent to the KJV, and of very good quality (leather cover). We will use them for our church and outreach ministry and are excited that the price is only \$8.00 each. Anyone who would like to help with the cost of the Bible project will be much appreciated.

Our mission board, "BIBM," surprised us during the annual July meeting at Eastside Baptist Church, Greenville, TN. Recognizing and honoring us for 24 years of service was a very emotional moment for us. We received a beautiful framed certificate, a bouquet, and many humbling compliments. We are deeply grateful for your unwavering financial and prayer support, which has enabled us to continue this missionary journey.

- Left - What a privilege for Brenda to lead this young lady, Kaileena, to the Lord, while we were giving our ministry update at Victory Baptist Church of Talbot, TN. Brenda also sent Kaileena a picture of them together, letter of encouragement, and a new Bible. God has been so good in giving us blessings of all sorts during this furlough.

This month, two mothers were scheduled to come to "Tina's house." One of the moms, Roxanna, has two children and came for three days but then decided to go back to her abusive husband. Another mom, Nela, from northern Romania, who has three children, was also planning to come, but we never heard back from her. This is a very common issue with these women trapped in domestic violence. They often change their minds several times and return to their abusive partners before either leaving permanently or ending up in a life-threatening situation. This ministry can be challenging and heartbreaking, so we ask for your continued prayers for these ladies and children, especially their salvation.

- Right - Our 2024 "Back to School" party was a success. Twelve children were in attendance, and six new families were invited to church. We rented a giant bouncy house and also served popcorn, cotton candy, hotdogs, chips, and drinks. The kids won backpacks and school supplies of all varieties by participating in several games.

"All of this is possible because of your faithful partnership of prayers and financial support."
