Dear Faithful Partners,

Reflecting on 2025 brings Brenda and me joy as we see the Lord touching and changing lives in Romania. Your prayers and support are crucial, and I'm excited to share some stories and highlights from this year so far!

I was honored to baptize a young lady in our church this summer. Crina accepted Christ at age 10 in Brenda's girls' Bible club and has since inspired many with her strong testimony. Her journey has not been an easy one, including a family move to Italy at age 17 that disrupted her education, leading to drug use, a toxic relationship, an unexpected pregnancy, and her then-boyfriend going to prison for armed robbery. After giving birth alone in Italy, she returned to Romania with her newborn and moved in with her parents. Crina started working for us at "Tina's House," returned to church, and attended Brenda's counseling sessions, which helped her find joy and renew her faith with the Lord. Now at 28, she is happily married and has three young sons. This and the next story are such a display of God's love and amazing grace!

- Left - This is Darius, the baby boy Crina gave birth to in Italy 8 years ago. We've been praying for his salvation, and we are overjoyed to announce that he accepted Christ into his heart this summer. He shared with the church the following Sunday that he had asked Jesus into his heart at home with his mother. We also presented him with his very own Bible. He was so excited! His mother wrote later that day to tell us that when Darius got home, he sat in a corner, opened his Bible, and began crying and said the Bible we had given him was such a beautiful gift. Please pray for Darius, as I believe God is going to use him in a great and mighty way.

In September, we were truly fortunate to host Missionaries Chris and Nancy Luppino for a week! Their incredible ministry supports missionaries around the globe through debriefings, enrichment, counseling, and resources. Looking ahead to 2026, we are excitedly exploring the possibility of hosting European missionaries at our facility who could benefit from a private, encouraging, and relaxing time of refreshing, without the burden of lengthy and costly flights to America.

This past year, we received generous donations from a church and individuals, allowing us to purchase Romanian Bibles for distribution. Recently, a missionary in England reached out about a Romanian woman who has begun attending church but struggles with English. We were thrilled to send her a Bible, and her joy upon receiving it was truly heartwarming! Interestingly, she is from a nearby city, which gives us hope of meeting in the future. Please keep her in your thoughts and prayers that she will come to know the Lord as her Savior.

In October, we had an incredible time hosting our Church Harvest Party! Everyone truly enjoyed the fun activities, including our scarecrow-building contest, pumpkin ring toss, corn hole, and candy pit, as well as the challenge of guessing the number of pumpkin seeds in a jar. Gathering around the bonfire, we sang uplifting songs, and I shared a devotional about Jesus as our Shepherd. We were so grateful for the perfect weather and fellowship God provided for us,

Prayer Requests:

- Added financial support
- Laborers to assist in the ministry
- Salvation of the Romanian people
- Tina's House Ministry"- caring for a young mother with two children
- Apartment Renovation: \$4,131.00 received, \$1,868.00 still needed.

"All of this is possible because of your faithful partnership of prayers and financial support."
