Building: Elite Level Appropriate

In order to increase coach and team ability to show their strengths and creativity, level appropriate examples have been moved to the end of this document.

The previous level appropriate examples were not required but provided an example of what could be used in a specific level.

Please note that on the level grid, all skills allowed at a particular level encompass all skills allowed in the preceding level. If a skill is not allowed in a particular level, it is also not allowed in the preceding level(s).
