

COGHINAS TOUR

(every tuesday or wednesday, reservation required)

The excursion to Lake Coghinas is aimed at those who love the countryside and relaxing ride into nature. The tour begins in the center of Berchidda, a small Country in the center of Gallura, where uses and ancient traditions are still very important for the habitants.

The route is easy to follow, crossing Cork forests up to the largest artificial lake in Sardinia, the Coghinas. The tour proceeds in the direction of MonteAcuto, rich in history. We'll spend the lunch time at "il Nuraghe del lago Coghinas" to refresh ourselves with the pool and eat super fresh local products km0 . Riding through Oschiri,we'll visit the rock site of Santo Stefano, where history and magic meet. The last ride' s waiting for us to finish with the wine tasting at "Atlantis" cellar.
