

Boys Volleyball Coaching Vacancy

Seeking Varsity Coaching Candidates:

Westfield High School is seeking a Varsity Boys Volleyball Coach to lead the program in all facets. In addition to coaching during the season, the head coach will lead all off-season workouts as well be directly involved with the feeder programs including the middle school teams and youth teams. We are seeking someone with uncompromised integrity and the highest moral and ethical standards.

Qualifications:

We believe in developing athletes to be leaders in life, not just on the athletic field. We believe in building relationships with athletes and parents. We believe that education based athletics is the cornerstone in developing high school students and preparing them for after high school. The Ideal candidate shares these beliefs and has experience leading a program from the Varsity level down through the feeder programs.

Who We Are:

Westfield High School is a progressive, innovative, and growing school. Westfield-Washington School Corporation is dedicated to affording academic and athletic opportunities to all of its students. The school is experiencing steady growth and has a current enrollment of 2,800. Projections for the next several years sees WHS topping out at around 3,200 students.

School Sanctioned Varsity Sport

Boys Volleyball is classified as an emerging sport with the IHSAA but is considered a school sanctioned varsity sport at WHS under the WHS Athletic Department. Westfield supports and funds the program no differently than other IHSAA sports at WHS.

How to Apply:

Email a letter of interest and resume to Andy Tebbe, Athletic Director: tebbea@wws.k12.in.us

Timeline:

Applications due by October 9
Interviews will conclude by October 27
