Dear Pine Belt Members and Guests,

I hope this finds you, your family and friends all healthy and Covid free. This notification is for the safety of you, our guests, and all of Pine Belt's Directors and Staff. It appears that there has been some confusion as to the rules set forth by Pine Belt Sportsman's Club's Officers and Directors with regard to our Covid-19 safeguards. So, let me clarify for all to understand. We do understand that there are minimum guidelines from the CDC, and what the NJ rules are, which we do our best to comply with. If Pine Belt's Board of Directors adds rules for the safety of all involved, we have the right to do that here. Once you read our COVID 19 rules listed below you have a choice. We hope to see you soon.

1. If you feel sick in any way **DO NOT COME TO PINE BELT!!!**
2. Social Distancing is Paramount. We ask that you keep mindful to the practice of social distancing and keep a safe distance of **At Least** 6 feet away from everyone, both inside and out!!
3. Everyone **MUST** wear a face covering over both your mouth and nose if you enter the Club House for any reason. **Examples:** to use the bathroom, to sign in or to pay for targets, to get warm, sitting in the lounge, or for any other reason. **AGAIN, YOU MUST WEAR A FACE COVERING WHICH COVERS BOTH YOUR MOUTH AND NOSE!!!**

If your intension is to eat a meal or snack inside the clubhouse, you must wear a mask while ordering, paying and waiting for your food to arrive to your table. Once your **FOOD** arrives you may remove your face covering to eat. Once you have completed your meal you will be expected to reapply your face covering. If you are not actively **EATING**, You may drop your face covering down while you are drinking. Once you take a drink please pull your mask back up. If you are sitting at a table unmasked, with a drink on the table or in your hand and not actively drinking, you will be asked to cover up and possibly warned. Anyone who is continually warned of any rule violations **WILL** be asked to leave the building, the grounds and may potentially be put up for suspension of membership or permanently banned from our facility. If this notice is not clear and we continue to have people who don't abide by what our rules are it may be necessary to just close the club house again as we did in March, April, and May of 2020. We will be taking this very seriously. Please cooperate and comply so we can continue to have an enjoyable, safe place to socialize, shoot and get a nice meal.

If any of you have an issue with any of these, or any other Pine Belt Sportsman's Club rules, please feel free to attend any of our Board of Directors Meetings on the third Tuesday of each month. Feel free to reply to this email or call me at 609-706-0401. I will be happy to address your concerns, but until there are any rule changes at one of our meetings regarding Covid or anything else we will continue to follow the rules as stated above.

Thank you all,

Regards,

Jeffrey Slimm President
