2023 Presidents Message

A warm greeting to all shooters!

We have made it past 125 years and I welcome you and all shooters to the 126th NJ State Trapshooting Championships, the Garden State Grand and NJ Zone trapshooting tournaments. It is an honor and a privilege for me to serve as President of this historic association. I would like to thank all of the NJSTA officers and directors, our state delegates, and our member clubs for their time and effort in promoting trapshooting in New Jersey. The NJSTA Board of Directors have been working diligently over the past several months in order to give our resident and out of state shooters the best shooting experience possible this shooting season.

I hope that each of you would make it a point to visit and perhaps shoot at an advertised event listed within this program at each of our member clubs during the year. There are many fun, exciting and sometimes charitable tournaments offered by our NJ clubs that provide good targets, friendship, comradery and good cause.

I would also like to personally thank all of our sponsors and advertisers. I ask that as you look through this program you notice and support, when possible, these advertisers and/or sponsors that have supported NJSTA and NJ shooting year after year.

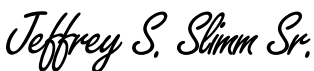

Even though it is a tough task to get youngsters involved with shooting sports in New Jersey, we have beaten the odds and two new youth trapshooting teams have been established and are currently being given a great foundation of sportsmanship and competition that can only help to grow our sport. NJSTA has donated roughly \$5,000 in support of these teams. I am also happy to advise everyone that our member clubs have also supported the teams by deferring some of the cost incurred during their practice sessions. Any support of time and/or donations that you may give to our NJ youth teams would be greatly appreciated. I thank you in advance.

Even though we continue to face challenges with Covid, supply chain shortages and rising costs, I hope these conditions will improve as we enter the spring shooting season allowing all of us to enjoy our great sport.

In closing, I would like to wish all of our shooters from New Jersey and our guests from out of state, good luck and good health. Please remember to be safe. Firearm safety is paramount and everyone is watching.

Please come out to as many New Jersey trapshooting events as possible for a Great Experience, and to help us make this year a huge success for all.

Thank you all,

Jeff Slimm, President N.J.S.T.A

2023 HALL OF FAME INDUCTEE

Peter Frederiks

Biography # 3504850

Peter was born in February 1942 and grew up on a farm in Three Bridges, New Jersey. Growing up working the farm with his Dad, Pete grew fond of John Deere Tractors and always admired them when he came across one during his adult years. He graduated high school and joined the Navy during the Viet Nam War, after completing his four years of duty, he attended Rutgers University under the GI Bill. Upon graduation Pete relocated to Rosemont, just outside of Flemington, where he bought a house and opened a machine shop a mile down the road, which he owned for the next 40 years. As business went on, he had great years and slow years and during all that time two of his workers stayed with him for the last 25 years and when it came time to retire, he turned the business over to them.

Pete married his first wife Rose and had three daughters. His wife passed away in 2010. Pete remarried in 2013 to Theresa "Tess" Chamberlain, who accompanied him to shoots up and down the East coast and out to the Grand in Sparta. Speaking of Grands, Pete had just received a patch for attending 45-Grands in a row. Pete was on the "Last Squad" at the Vandalia Facility back in 2005. Fellow trap shooter Ed Yanchok, the past New Jersey ATA Delegate, contacted the ATA prior to the Grand and offered a donation to the ATA to reserve the last squad on the last event of the competition, and Pete was eager to be a member of the squad.

During Pete's ATA tenure he resided in New Jersey and Pennsylvania, with his business in New Jersey. While living in New Hope, he became a member of the Board of Directors at Flourtown Sandy Run, where he oversaw registered ATA shooting. Pete won trophies at the Grand, Eastern Zone, Dixie Grand, Southern Grand, Pennsylvania Grand, Jersey Cricket, the New Jersey State Shoot, Delaware, Pennsylvania. He competed in Hawaii a few times and Alaska once. He was on the New Jersey State Team in 1999 and 2015. Pete joined the ATA in 1972 and from then until 2020, he registered 541,425 singles, 122,700 handicap and 253,350 doubles targets, totaling 917,475!

Pete was well liked by all in his community of Rosemont. Pete was home with his wife Tess when he had the heart attack. When the 911 call went out there were 15 vehicles responding between EMT's and Police. Pete was liked by all. Peter died in March of 2020.

As mentioned earlier, Pete was predeceased by his first wife Rose and two of his three daughters. He is survived by his wife Tess and daughter Claudine. Claudine the remaining daughter was a junior trap shooter, when growing up, and resides in Florida. His wife Tess Frederiks also resides in Florida.

He is being inducted into the New Jersey Trap Shooting Hall of Fame for his shooting ability and contributions to the sport of trapshooting over the years.

2023 HALL OF FAME INDUCTEE

Thomas Green Sr.

Thomas Green Sr. was born in Vineland, New Jersey August 8th, 1960 and has lived in South Jersey his entire life. He has fond memories of hunting in and around the area as a young man with family and friends for small game and deer. His adventures took him deer hunting as far north as the woods of Maine.

Tom graduated from Buena High School in 1978. It was during high school that he started working for Jim and Bob Pagliughi at their gun shop in Vineland. Weekend duties included traveling to the various ATA clubs of New Jersey in the store truck with Jimmy Pagliughi and Roger Linton selling ammunition and reloading components to the shooters. In those days we never had to worry about supply shortages and high prices!

It was the year 1975, during one of Tom's Friday night visits to Seabrook Gun Club which had 2 trap fields and a skeet field, that he caught the Trapshooting bug! He continued shooting Trap at that club and in 1976, the very next year, he joined the ATA and began registering targets. He concluded his first year with a 80 average on 1300 singles targets and a 76 on 600 in handicap.

In the Spring of 1978, as a 17 year old senior in High School, he won the New Jersey State Handicap Championship.

After shooting Trap for 4 years Tom had upped his singles average to 91.25 and handicap to 85.17. During the 1981 season he decided to add doubles to his resume and ended the year shooting 69.2 on 250 doubles targets—we all have to start somewhere!

His practice and dedication to the sport showed and by 1989 his average card read as follows: Singles 97.23, Handicap 89.30, and Doubles 89.80, this performance landed him on the State Team! An accomplishment he held until 1994 when work and family took precedence. Although he continued shooting he did not accrue enough targets to qualify him for the team.

He has visited and shot at many clubs that are but memories to Tom and the shooters of New Jersey. He attended the last Jersey Cricket at the Atlantic City Gun Club before it closed. He was fortunate enough to shoot over the water at the Old Mill Trap and Skeet Club. Shot with Harry Miller at Thunder Mountain in New Jersey, Shot targets at the Quaker City Gun Club. And I would be remiss if George and Nyda Wright at the Salem County Sportsmans Club were not included in the above list.

In case there is a dispute with respect to the residence of a shooter attending a State tournament, it shall be the duty of the State Association to rule as to said shooter's right to compete as a resident shooter. The ruling of the State Association shall be final.

The Pine Belt Sportsman's Club, in order to promote shooting by our young shooters, has volunteered to pay for up to half of the target price plus the daily fees for the Saturday and Sunday events, with the hope that it will allow more young shooters to take part in the state shoot. **New Jersey Resident
Southern Zone vs. Northern Zone**

A “Zone Team Trophy” will be awarded to the winning zone at the Annual NJ State Association meeting on Sunday before the start of final events. To be eligible to compete for this trophy shooters must have competed at their Zone “host” club in the Saturday Zone Singles Championship. If a shooter competes in this zone event they are qualified regardless of their score.

After the NJ State Singles Championship Event the top five scores from “Qualified Shooters” of each zone will be added together to determine the Winning Zone. The names of the five individuals representing the winning zone will be engraved on the trophy and the trophy will be displayed at the gun club which hosts that year’s zone shoot. Each individual, in addition to having his or her name on the Zone Championship Trophy, will also be awarded a special pin acknowledging his or her participation in the event. The 2022 Zone Trophy was won by the Southern Team. 2022 team members: Bob Jarvis 197, Mike Chiarella 195, Zac Wojnar 195, Rick Batesko 193, Carlos Gomes 193.

SHOOTERS

The costs of putting on a shooting event like the New Jersey State Shoot continues to get ever more expensive. We are able to continue to produce this program with the help of vendors who support us by placing ads.

We ask shooters that may have need for any of the services provided by vendors displaying ads in this program, to please reach out to them as a way of saying "thank you" for their generous support of our sport.
